

WORLD SAILING RECOGNISED TRAINING

World Sailing

All Yachting New Zealand sailing qualifications are World Sailing Recognised, meaning they meet the standards set by the international body.

This recognition implies a high standard of best practice supported by World Sailing. Our qualifications have an international value to those they are awarded to, both sailors and coaches.

For background information on World Sailing Recognised Training, see this link <http://www.sailing.org/training/nlstp/mnaaccreditation/index.php>
