

**Yachting New Zealand
Rescue Boat Skipper Trainer Requirements
Version 3
December 2017**

The following are the Yachting New Zealand requirements for those persons who will be delivering rescue boat skipper training:

- Sufficient Knowledge and Experience (minimum 2 years in vessels similar to those the trainees will be using)
- A current qualification
 - CBES – Safety Boat Operator
 - RYA – Power Boat Level 2
 - Relevant commercial maritime qualifications
- A written recommendation from the Club Captain or flag officer of the club where they will be teaching

*YNZ will maintain a register of recognised trainers within each club
