# COACHING TOOLS

## Revalidation Master Coach Modules

### Master Coach (Activity 7; Attend a Regional Sport Trust, Coach Development Seminar)

Each region in New Zealand has its own regional support trust. If you live in the Otago region your regional sport trust is called "Sport Otago."

(To find your regional sport trust [click here.](#))

Sports trusts are in charge of up skilling coaches and officials and support all sports in your region. They have dedicated staff members who are there to support you as a coach in yachting. Every year they put on a number of coach development seminars which are usually free or have a small fee associated with them.

As an option for revalidation you can attend one of these seminars, take notes and write an overview of what you learnt from a coaching perspective.

#### How send in your revalidation activity

1. When you finish this task email your overview to [peters@yachtingnz.org.nz](mailto:peters@yachtingnz.org.nz)
2. Get the person who ran the seminar to send an email, to confirm you attended.

Once this has been received, you will be accredited as a coach for another 4 years at the same level, but with the title of master coach. This process is free of charge we just want to see that you are further developing as a coach and providing your sailors with the best possible information.
