NEW ZEALAND

Church Road, the Hawke's Bay award-winning winery, has proudly released its Prestige Collection for 2022, some of which Chief Winemaker, Chris Scott has claimed to be the best wines that he has ever produced. Consisting of three TOM wines and four Church Road 1 Single Vineyard wines, the release coincides with Church Road celebrating 125 years of winemaking excellence on the site where the Church Road winery remains today.

For Chris Scott, one of New Zealand's most celebrated winemakers and who was named Winestate's NZ Winemaker for a fourth time in 2021, the Church Road Prestige Collection presents the highest quality wines from across the famed Hawke's Bay region.

Church Road TOM and Church Road 1 ranges signify 125 years of its winemakers' uncompromising pursuit of mastering the art of winemaking and trusting their intuition. From meticulous vineyard management in the Tuki Tuki Valley, Gimblett Gravels and Bridge Pa Triangle, to masterful winemaking, the honing of this expertise has guided Church Road to produce an award-winning portfolio of wines crafted with excellence.

To celebrate the release we would like to offer the complete Prestige Collection to one lucky subscriber to indulge in over the summer months. All wines from the TOM and Church Road 1 ranges are available at select retail stores, on-premise, and online at churchroad.co.nz
