- 13.4 No support boats may launch from Wakatere. Support boat launching is available from Takapuna Beach, Bayswater Marina and Torpedo Bay boat ramps.
- 13.5 All support person vessels shall always have an engine safety cut out switch (kill cord) attached to the driver while the engine is running, unless prior written exemption has been provided by the Organising Authority. [DP]

## 14 LAUNCHING AND STORAGE

- 14.1 All competing boats shall be launched and retrieved from Narrow Neck Beach in the vicinity of the WBC, unless instructed otherwise by the Organising Authority. [DP]
- 14.2 Beach trolleys shall be prominently marked with the boat's sail number [DP]
- 14.3 Beach trolleys must be stored on the old road on the beach side of the clubhouse and off the public cycleway and walkway. [DP]

## 15 COMMUNICATION

- 15.1 The Official Notice Board will be located upstairs in the WBC clubhouse.
- 15.2 The online notice board is located at <https://www.wakatere.org.nz/>
- 15.3 Except in an emergency, a boat that is racing shall not make voice or data transmissions and shall not receive voice or data communication that is not available to all boats. This restriction also applies to mobile telephones. [DP]

## 16 PRIZES

- 16.1 Prizes will be awarded in accordance with NZIODA Guidelines at the conclusion of the regatta.
- 16.2 There may be draws for spot prizes throughout the regatta.

## 17 INSURANCE

- 17.1 Yachting New Zealand recommends that for national championships, each participating boat shall be insured with valid marine third-party liability insurance with a minimum cover of \$1,000,000 per incident or the equivalent.

# 18 DISCLAIMER OF LIABILITY

- 18.1 Competitors participate in the regatta entirely at their own risk. RRS 3, Decision to Race, states as follows:-  
“The responsibility for a boat’s decision to participate in a race or to continue racing is hers alone.”

Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor and the responsible adult agrees and acknowledges that:

- a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves and their boat to such inherent risk whilst taking part in the event;
- b) They are responsible for the safety of themselves, their boat and their other property whether afloat or ashore;
- c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omission;
- d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
- e) The provision of a race management team, patrol vessels and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;
- f) The provision of patrol vessel cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.

- 18.2 The Organising Authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the regatta.

# 19 RIGHTS TO USE NAME AND LIKENESS

- 19.1 By participating in this event, competitors automatically grant to the Organising Authority and the event sponsors the right, in perpetuity, to make, use, and show, at their discretion, any photography, audio and video recordings, and other reproductions of them made at the venue or on the water from the time of their arrival at the venue, until their final departure, without compensation.

# 20 USE OF DRONE FOR MEDIA

- 20.1 All those who take part in this event as competitors, as well as support crew or spectators, agree to be overflown by a drone during the duration of the event for promotion or media purposes. This includes your person and your property (boats).

# 21 SUSTAINABILITY

- 21.1 A competitor shall not intentionally put trash in the water. RRS 55 applies at all times while afloat. [DP]

21.2 The 2023 Toyota Optimist National Championship is a Clean Regatta registered with Sailors for the Sea and we appreciate your support in helping us achieve Platinum Clean Regatta status. We request that competitors, supporters and officials support this initiative:

a) Bring your own reusables: water bottle, coffee cup, lunch box/bag for yourself and your support team and avoid single-use plastics. Reusable Wakatere coffee cups are available in the club kitchen or Narrow Neck cafe.

b) Carefully choose the correct waste stream at the regatta venue - landfill, compost, recycling

c) Choose electronic viewing over printing out NOR or Sailing instructions

d) Participate in the regatta beach clean and aim to leave the marine environment and shoreline better than you found it.

e) Try to minimise your environmental impact when travelling to the event. Plan your journey

<https://at.govt.nz/>. Consider carpooling, community minibus or [Toyota hybrid rental](#) and offsetting carbon emissions. Refer to the NZ [Carbon Footprint Calculator](#).

Please see the [Sustainability Policy](#) on the club's website for further details.

# ADDENDUM A

## NZIODA Fleet Guidelines

### 1.1 For the Green Fleet:

The Green Fleet is open to less experienced Optimist sailors. The emphasis is on fun and the objective of this regatta is to offer less experienced sailors the opportunity to sail and participate without their feeling the need, or burden, to sail in the more competitive Open or White Fleets.

In the Green Fleet equipment used is not required to hold current measurement certificates (alters International Optimist Class Rule 2.4.1) but all hulls shall carry valid World Sailing plaques.

The objective of this regatta is to offer less experienced sailors the opportunity to sail in a Green Fleet regatta at the same venue as an Optimist White and Open Fleet regatta. It is unlikely that Green Fleet sailors will have sailed in an Optimist Open Fleet regatta of more than 40 boats.

It is expected that Green Fleet Sailors will:

- either be aged 12 years and under or in their first year of Optimist racing;
- have sailed for less than 2 seasons.
- have not previously raced outside of Green Fleet except at regattas where no Green Fleet racing was offered.
- On achieving a podium finish in Green Fleet at a NZIODA ranking regatta or the Sir Peter Blake Torbay regatta, or three or more podium finishes in other green fleet regattas, the sailor shall advance to the White or Open Fleet.

### 1.2 For the White Fleet:

The White Fleet is intended to provide a full race experience for developing sailors without the physical and mental demands of Open Fleet. The White Fleet is where our junior sailors enjoy sailing, but not necessarily in a stressful and competitive environment. Races for White Fleet sailors are shorter than they are for Open Fleet and less races may be sailed each day. Races are sailed on the same water as the Open Fleet.

### 1.3 For the Open and White Fleets:

Entry is open to all boats of the Optimist class that have valid measurement certificates and have passed the regatta registration.
