Yachting New Zealand

Leading, developing and growing sailing in New Zealand

Want to become a Yachting New Zealand member?

Yachting New Zealand has over 250 members, comprising not only sailing and boating clubs and class associations but also many leading organisations in the marine industry and individuals who continue to support our work.

Training and education

Yachting New Zealand provides training for race officials (race officers, judges and umpires) and coaches. It means affiliated clubs have qualified officials to run national regattas as well as any of the national programmes Yachting New Zealand develops and maintains (keelboat and dinghy).

National programmes

Management and support of national sailing programmes including RUNA, learn to sail, learn to race, class-specific training clinics and school programmes for dinghies and keelboats.

Building club capability

The Club Manual resource provides guidance and resources around how members administer their club, including risk management, inclusion, regatta/event management, coaching resources and more. Regional development managers provide support around club structure and activity, funding, promotion and wider community connection.

Advocacy and representation

Providing a strong and informed voice to protect the freedom and interests of boating; advocating for all boaties to maintain access to the water and foreshore.

Promotion

Yachting New Zealand promotes the sport to the wider public and promotes programmes and opportunities to get involved through e-newsletters, social media and mainstream media. Members are invited to submit content to reach a wide audience of yachties and boaties in New Zealand.

Technical and safety support for boat owners

Maintains and updates the Safety Regulations of Sailing and conducts safety inspections of yachts competing in coastal and offshore races run by Yachting New Zealand-affiliated clubs. Yachting New Zealand also manages the boat register and the national PHRF handicapping system.

An information hub

Acting as an information point for members' enquiries via phone, email, e-newsletters, social media, and a comprehensive website. Maintains an up-to-date boat register and record of New Zealand's sailing history, including national champions, Olympians, and other record holders.

Enabling funding

Provides a point of reference for clubs and classes seeking funding from charitable trusts and sponsorship. Many of the charitable trusts in New Zealand now require affiliation to a national body. Yachting New Zealand will provide support letters for clubs applying for funding.

Supporting pathways to high performance

Creating end-to-end pathways for sailors. Managing support and development of high-performance sailors in preparation for international competitions, including the Olympic Games.

Connection to World Sailing

World Sailing governs the rules we race under. Only affiliated clubs are allowed to act as an organising authority to run races under these rules.

There are five types of membership:

— Club membership

Every yacht club throughout New Zealand is invited to become an affiliated club. Clubs' membership contribution helps Yachting New Zealand deliver comprehensive services, products and resources specifically designed to help the growth of yachting and boating in New Zealand. All clubs are charged an affiliation fee (levy). Your club's levy will be calculated by multiplying the total number of individual club members by the affiliation fee. Contact us if you would like to affiliate your club or need more information.

— Class association membership

Each class or type of yacht sailed in New Zealand is invited to affiliate with Yachting New Zealand. For an annual subscription fee, Yachting New Zealand offers an extensive return on your investment. Affiliated class associations can give the title of national champion to the winner of the class national championships (provided all national event protocols are followed); have their class contact information promoted on our website; use the Yachting New Zealand racing rules of sailing and prescriptions and access the Yachting New Zealand administered appeals process; utilise Yachting New Zealand's wide range of programmes, products, and services and much more.

— Commercial maritime membership

This is extended to commercial operators and organisations within the marine and maritime industries. Affiliation provides the opportunity to teach and promote New Zealand's only nationally recognised learn-to-sail programmes and access to the Yachting New Zealand national sailing scheme for dinghies and keelboats and accompanying teaching resources; endorsement and referral for your organisation by Yachting New Zealand; a directory listing on the clubs, classes and members page of Yachting New Zealand's website and much more.

— Non-commercial maritime membership

Maritime membership is extended to noncommercial operators and organisations within the marine and maritime industries, and also to organisations that do not constitute clubs or classes but offer a yachting experience, such as secondary schools offering a sailing programme.

— Personal membership

If you would like to support yachting in New Zealand, and the work we do, we invite you to become a personal member. Get in touch with us for an application form or if you require further information. Personal membership does not allow you to race under the racing rules of sailing. For this, you must be a member of an affiliated club.

INTRODUCTION

The Racing Rules of Sailing includes two main sections. The first, Parts 1–7, contains rules that affect all competitors. The second, the appendices, provides details of rules, rules that apply to particular kinds of racing, and rules that affect only a small number of competitors or officials.

Terminology A term used in the sense stated in the Definitions is printed in *italics* or, in preambles, in **bold italics** (for example, *racing* and ***racing***).

Each of the terms in the table below is used in *The Racing Rules of Sailing* with the meaning given.

<i>Term</i>	<i>Meaning</i>
Boat	A sailboat and the crew on board, that are subject to the <i>rules</i> .
Competitor	A person who races or intends to race in the event.
National authority	A World Sailing member national authority.
Race committee	The race committee appointed under rule 89.2(c) and any other person or committee performing a race committee function.
Racing rule	A rule in <i>The Racing Rules of Sailing</i> .
Technical committee	The technical committee appointed under rule 89.2(c) and any other person or committee performing a technical committee function.
Vessel	Any boat or ship.

Other words and terms are used in the sense ordinarily understood in nautical or general use. For a source of the nautical sense of a word, a reader may refer to *The Equipment Rules of Sailing*.

Hails A language other than English may be used for a hail required by the *rules* provided that it is reasonable for it to be understood by all boats affected. However, a hail in English is always acceptable.

Notation The notation ‘[DP]’ in a *rule* means that the penalty for a breach of the *rule* may, at the discretion of the protest committee, be less than disqualification. Guidelines for discretionary penalties are available on the World Sailing website.

Revision The racing rules are revised and published every four years by World Sailing, the international authority for the sport. This edition becomes effective on 1 January 2025 except that for an event beginning in 2024 the date may be postponed by the notice of race. Marginal markings indicate important changes to Parts 1–7 and the Definitions in the 2021–2024 edition. No changes are contemplated before 2029, but any changes determined to be urgent before then will be announced through national authorities and posted on the World Sailing website.

Appendices When the rules of an appendix apply, they take precedence over any conflicting rules in Parts 1–7 and the Definitions. Each appendix in this book is identified by a letter. Other appendices are available on the World Sailing website and are identified by two or three letters. A reference to a rule in an appendix will contain the letter or letters, and the rule number (for example, ‘rule A1’ or ‘rule MR1’). The letters I, K, L, O and Q are not used to designate appendices in this book.

Development Rules Development Rules may be approved by World Sailing for specific events or categories of events. They are available on the World Sailing website and are identified by the letters DR.

Notice of Race and Sailing Instructions Guides and templates for writing a notice of race and sailing instructions are available, in various file formats, on the World Sailing website at www.sailing.org/racingrules. National authorities are encouraged to translate these guides and templates.

World Sailing Regulations The Regulations are referred to in the definition *Rule* and in rule 6, but they are not included in this book because they can be changed at any time. The most recent versions of the Regulations are published on the World Sailing website; new versions will be announced through national authorities.

Interpretations World Sailing publishes the following authoritative interpretations of the racing rules:

- *The Case Book – Interpretations of the Racing Rules*,
- *The Call Books*, for various disciplines,
- Interpretations of Rule 42, Propulsion, and
- Interpretations of the Regulations, for those Regulations that are *rules*.

These publications are available on the World Sailing website. Other interpretations of the racing rules are not authoritative unless approved by World Sailing.

DEFINITIONS

A term used as stated below is shown in italic type or, in preambles, in bold italic type. The meaning of several other terms is given in Terminology in the Introduction.

Abandon A race that a race committee or protest committee *abandons* is void but may be resailed.

Clear Astern and Clear Ahead; Overlap One boat is *clear astern* of another when her hull and equipment in normal position are behind a line abeam from the aftermost point of the other boat's hull and equipment in normal position. The other boat is *clear ahead*. They *overlap* when neither is *clear astern*. However, they also *overlap* when a boat between them *overlaps* both. These terms always apply to boats on the same *tack*. They apply to boats on opposite *tacks* only when rule 18 applies between them or when both boats are sailing more than ninety degrees from the true wind.

Committee The protest committee, the race committee or the technical committee.

Conflict of Interest A *conflict of interest* exists if a person

- (a) may gain or lose as a result of a decision to which that person contributes,
- (b) may reasonably appear to have a personal or financial interest which could affect that person's ability to be impartial, or
- (c) has a close personal interest in a decision.

Continuing Obstruction An *obstruction* is a *continuing obstruction* when the boat with the shortest hull referred to in the rule using the term will pass alongside it for at least three of her hull lengths. However, the following are not a *continuing obstruction*: a vessel under way, a boat *racing*, or a race committee vessel that is also a *mark*.

Fetching A boat is *fetching* a *mark* when she is in a position to pass to windward of it and leave it on the required side without changing *tack*.

Finish A boat *finishes* when, after her starting signal, any part of her hull crosses the finishing line from the course side. However, she has not *finished* if after crossing the finishing line she

- (a) takes a penalty under rule 44.2,
- (b) corrects an error in *sailing the course* made at the line, or
- (c) continues to *sail the course*.

After *finishing* she need not cross the finishing line completely. The sailing instructions may change the direction in which boats are required to cross the finishing line to *finish*.

Keep Clear A boat *keeps clear* of a right-of-way boat

- (a) if the right-of-way boat can sail her course with no need to take avoiding action and,
- (b) when the boats are *overlapped*, if the right-of-way boat can also change course in both directions without immediately making contact.

Leeward and Windward A boat's *leeward* side is the side that is or, when she is head to wind, was away from the wind. However, when sailing by the lee or directly downwind, her *leeward* side is the side on which her mainsail lies. The other side is her *windward* side. When two boats on the same *tack overlap*, the one on the *leeward* side of the other is the *leeward* boat. The other is the *windward* boat.

Mark An object the sailing instructions require a boat to leave on a specified side, a race committee vessel surrounded by navigable water from which the starting or finishing line extends, and an object intentionally attached to the object or vessel. However, an anchor line is not part of the *mark*.

Mark-Room Room for a boat

- (a) to sail to the *mark* when her *proper course* is to sail close to it,
- (b) to round or pass the *mark* on the required side, and
- (c) to leave it astern.

Obstruction An *obstruction* is

- (a) an object that a boat could not pass without changing course substantially, if she were sailing directly towards it and one of her hull lengths from it;
- (b) an object that can be safely passed on only one side; or
- (c) an object, area or line that is so designated in a *rule*.

However, a boat *racing* is not an *obstruction* to other boats unless they are required to *keep clear* of her or, if rule 22 applies, avoid her.

Overlap See *Clear Astern and Clear Ahead; Overlap*.

Party A *party* to a hearing is

- (a) for a protest hearing: a protestor, a protestee;
- (b) for a redress hearing: a boat requesting redress or for which redress is requested; a boat for which a hearing is called to consider redress under rule 61.1; a *committee* acting under rule 61.1;
- (c) for a redress hearing under rule 61.4(b)(1): the body alleged to have made an improper action or improper omission;
- (d) a person against whom an allegation of a breach of rule 69.1(a) is made; a person presenting an allegation under rule 69.2(e)(1);
- (e) a *support person* subject to a hearing under rule 62 or 69; any boat that person supports; a person appointed to present an allegation under rule 62.2.

However, the protest committee is never a *party*.

Postpone A *postponed* race is delayed before its scheduled start but may be started or *abandoned* later.

Proper Course A course a boat would choose in order to *sail the course* as quickly as possible in the absence of the other boats referred to in the rule using the term. A boat has no *proper course* before her starting signal.

Protest An allegation made under rule 60 by a boat or a *committee* that a boat has broken a *rule*.

Racing A boat is *racing* from her preparatory signal until she *finishes* and clears the finishing line and *marks* or retires, or until the race committee signals a general recall, *postponement* or *abandonment*.

Room The space a boat needs in the existing conditions, including space to comply with her obligations under the rules of Part 2 and rule 31, while manoeuvring promptly in a seamanlike way.

Rule

- (a) The rules in this book, including the Definitions, Race Signals, Introduction, preambles and the rules of relevant appendices, but not the Basic Principles or titles;
- (b) World Sailing Regulations that have been designated by World Sailing as having the status of a *rule* and are published on the World Sailing website;
- (c) the prescriptions of the national authority, unless they are changed by the notice of race or sailing instructions in compliance with the national authority's prescription, if any, to rule 88.2;
- (d) the class rules (for a boat racing under a handicap or rating system, the rules of that system are 'class rules');
- (e) the notice of race;
- (f) the sailing instructions; and
- (g) any other documents that govern the event.

Yachting New Zealand prescribes that The Yachting New Zealand Safety Regulations are documents governing all events, and are therefore rules, unless dispensation is granted by Yachting New Zealand.

Sail the Course A boat *sails the course* when

- (a) she *starts*;
- (b) a string representing her track until she *finishes*, when drawn taut,
 - (1) passes each *mark* of the course for the race on the required side and in the correct order (including the starting *marks*),
 - (2) touches each *mark* designated in the sailing instructions to be a rounding *mark*, and
 - (3) passes between the *marks* of a gate from the direction of the course from the previous *mark*; and then
- (c) she *finishes*.

A *mark* that does not begin, bound or end the leg the boat is sailing does not have a required side.

Start A boat *starts* when, her hull having been entirely on the pre-start side of the starting line at or after her starting signal, and having complied with rule 30.1 if it applies, any part of her hull crosses the starting line from the pre-start side to the course side.

Support Person Any person who

- (a) provides, or may provide, physical or advisory support to a competitor, including any coach, trainer, manager, team staff, medic, paramedic or any other person working with, treating or assisting a competitor in or preparing for the competition, or
- (b) is the parent or guardian of a competitor.

Tack, Starboard or Port A boat is on the *tack*, *starboard* or *port*, corresponding to her *windward* side.

BASIC PRINCIPLES

The Basic Principles shall not be changed.

SPORTSMANSHIP AND THE RULES

Competitors in the sport of sailing are governed by a body of *rules* that they are expected to follow and enforce. A fundamental principle of sportsmanship is that when a boat breaks a *rule* and is not exonerated, she will promptly take an appropriate penalty or action, which may be to retire.

ENVIRONMENTAL RESPONSIBILITY

Participants are encouraged to minimize any adverse environmental impact of the sport of sailing.

PART 1

FUNDAMENTAL RULES

1 SAFETY

1.1 Helping Those in Danger

A boat, competitor or *support person* shall give all possible help to any person or vessel in danger.

1.2 Life-Saving Equipment and Personal Flotation Devices

A boat shall carry adequate life-saving equipment for all persons on board, including one item ready for immediate use, unless her class rules make some other provision. Each competitor is individually responsible for wearing a personal flotation device adequate for the conditions.

2 FAIR SAILING

A boat and her owner shall compete in compliance with recognized principles of sportsmanship and fair play. A boat may be penalized under this rule only if it is clearly established that these principles have been violated. The penalty shall be a disqualification that is not excludable.

3 DECISION TO RACE

The responsibility for a boat's decision to participate in a race or to continue *racing* is hers alone.

4 ACCEPTANCE OF THE RULES

- 4.1 (a) By participating or intending to participate in an event conducted under the *rules*, each competitor and boat owner agrees to accept the *rules*.
- (b) A *support person* by providing support, or a parent or guardian by permitting their child to enter an event, agrees to accept the *rules*.
- 4.2 Each competitor and boat owner agrees, on behalf of their *support persons*, that such *support persons* are bound by the *rules*.
- 4.3 Acceptance of the *rules* includes agreement
- (a) to be governed by the *rules*;
 - (b) to accept the penalties imposed and other action taken under the *rules*, subject to the appeal and review procedures provided in them, as the final determination of any matter arising under the *rules*;
 - (c) with respect to any such determination, not to resort to any court of law or tribunal not provided for in the *rules*; and
 - (d) by each competitor and boat owner to ensure that their *support persons* are aware of the *rules*.

- 4.4** The person in charge of each boat shall ensure that all competitors in the crew and the boat's owner are aware of their responsibilities under this rule.
- 4.5** This rule may be changed by a prescription of the national authority of the venue.

5 RULES GOVERNING ORGANIZING AUTHORITIES AND OFFICIALS

The organizing authority, a *committee* and other race officials shall be governed by the *rules* in the conduct and judging of the event.

6 WORLD SAILING REGULATIONS

- 6.1** Each competitor, boat owner and *support person* shall comply with the World Sailing Regulations that have been designated by World Sailing as having the status of a *rule*. These regulations as of 30 June 2024 are the World Sailing:
- Advertising Code
 - Anti-Doping Code
 - Code of Ethics
 - Eligibility Code
 - Sailor Categorization Code
- 6.2** The rules of Part 5 do not apply unless *protests* are permitted in the Regulation alleged to have been broken.

PART 2

WHEN BOATS MEET

*The rules of Part 2 apply between boats that are sailing in or near the racing area and intend to **race**, are **racing**, or have been **racing**. However, a boat not **racing** shall not be penalized for breaking one of these rules, except rule 14 when the incident resulted in injury or serious damage, or rule 23.1.*

When a boat sailing under these rules meets a vessel that is not, she shall comply with the International Regulations for Preventing Collisions at Sea (IRPCAS) or government right-of-way rules. If the notice of race so states, the rules of Part 2 are replaced by the right-of-way rules of the IRPCAS or by government right-of-way rules.

SECTION A

RIGHT OF WAY

*A boat has right of way over another boat when the other boat is required to **keep clear** of her. However, some rules in Sections B, C and D limit the actions of a right-of-way boat.*

10 ON OPPOSITE TACKS

*When boats are on opposite **tacks**, a **port-tack** boat shall **keep clear** of a **starboard-tack** boat.*

11 ON THE SAME TACK, OVERLAPPED

*When boats are on the same **tack** and **overlapped**, a **windward** boat shall **keep clear** of a **leeward** boat.*

12 ON THE SAME TACK, NOT OVERLAPPED

*When boats are on the same **tack** and not **overlapped**, a boat **clear astern** shall **keep clear** of a boat **clear ahead**.*

rfdnz.sales@survitecgroup.com | www.survitecgroup.com

13 WHILE TACKING

After a boat passes head to wind, she shall *keep clear* of other boats until she is on a close-hauled course. During that time rules 10, 11 and 12 do not apply. If two boats are subject to this rule at the same time, the one on the other's port side or the one astern shall *keep clear*.

SECTION B GENERAL LIMITATIONS

14 AVOIDING CONTACT

If reasonably possible, a boat shall

- (a) avoid contact with another boat,
- (b) not cause contact between boats, and
- (c) not cause contact between a boat and an object that should be avoided.

However, a right-of-way boat, or one sailing within the *room* or *mark-room* to which she is entitled, need not act to avoid contact until it is clear that the other boat is not *keeping clear* or giving *room* or *mark-room*.

15 ACQUIRING RIGHT OF WAY

When a boat acquires right of way, she shall initially give the other boat *room* to *keep clear*, unless she acquires right of way because of the other boat's actions.

16 CHANGING COURSE

- 16.1 When a right-of-way boat changes course, she shall give the other boat *room* to *keep clear*.

Quality Safety Equipment, Professional Advice and Servicing

Shop online: www.safetyatsea.co.nz - Email: sales@safetyatsea.co.nz - Ph: 09 309 9111

- 16.2** In addition, on a beat to windward when a *port-tack* boat is *keeping clear* by sailing to pass to leeward of a *starboard-tack* boat, the *starboard-tack* boat shall not bear away if as a result the *port-tack* boat must change course immediately to continue *keeping clear*.

17 ON THE SAME TACK; PROPER COURSE

If a boat *clear astern* becomes *overlapped* within two of her hull lengths to *leeward* of a boat on the same *tack*, she shall not sail above her *proper course* while they remain on the same *tack* and *overlapped* within that distance, unless in doing so she promptly sails astern of the other boat.

SECTION C

AT MARKS AND OBSTRUCTIONS

*Section C rules do not apply between boats when the **mark** or **obstruction** referred to in those rules is a starting **mark** surrounded by navigable water or its anchor line, from the time the boats are approaching it to **start** until they have left it astern.*

18 MARK-ROOM

18.1 When Rule 18 Applies

- (a) Rule 18 applies between boats when they are required to leave a *mark* on the same side and at least one of them is in the *zone*. However, it does not apply
 - (1) between boats on opposite *tacks* on a beat to windward,
 - (2) between boats on opposite *tacks* when the *proper course* at the *mark* for one but not both of them is to tack,
 - (3) between a boat approaching a *mark* and one leaving it, or
 - (4) if the *mark* is a *continuing obstruction*, in which case rule 19 applies.
- (b) Rule 18 no longer applies between boats when *mark-room* has been given.

18.2 Giving Mark-Room

- (a) When the first of two boats reaches the *zone*,
 - (1) if the boats are *overlapped*, the outside boat at that moment shall give the inside boat *mark-room*;
 - (2) if the boats are not *overlapped*, the boat that has not reached the *zone* at that moment shall give the other boat *mark-room*.

When a boat is required to give *mark-room* by this rule, she shall continue to do so for as long as this rule applies, even if later an *overlap* is broken or a new *overlap* begins.

- (b) Rule 18.2(a) no longer applies if the boat entitled to *mark-room* passes head to wind or leaves the *zone*.
- (c) When rule 18.2(a) does not apply and the boats are *overlapped*, the outside boat shall give the inside boat *mark-room*.

- (d) If a boat obtained an inside *overlap* from *clear astern* or by tacking to *windward* of the other boat and, from the time the *overlap* began, the outside boat has been unable to give *mark-room*, rules 18.2(a) and 18.2(c) do not apply between them.
- (e) If there is reasonable doubt that a boat obtained or broke an *overlap* in time, it shall be presumed that she did not.

18.3 Tacking in the Zone

If a boat passes head to wind from *port* to *starboard tack* in the *zone* of a *mark* to be left to port, rule 18.2 does not apply between her and another boat on *starboard tack* that is *fetching* the *mark*. If the other boat has been on *starboard tack* since entering the *zone*, the boat that passed head to wind

- (a) shall not cause the other boat to sail above close-hauled to avoid contact, and
- (b) shall give *mark-room* if the other boat becomes *overlapped* inside her.

18.4 Gybing in the Zone

When an inside *overlapped* right-of-way boat must gybe at a *mark* to sail her *proper course*, until she gybes she shall sail no farther from the *mark* than needed to sail that course. Rule 18.4 does not apply at a gate *mark*.

19 ROOM TO PASS AN OBSTRUCTION

19.1 When Rule 19 Applies

Rule 19 applies between two boats at an *obstruction* except when rule 18 applies between them and

- (a) the *obstruction* is the *mark*, or
- (b) the *obstruction* is another boat *overlapped* with each of them.

However, at a *continuing obstruction*, rule 19 always applies and rule 18 does not.

19.2 Giving Room at an Obstruction

- (a) A right-of-way boat may choose to pass an *obstruction* on her port or starboard side. If a right-of-way boat changes course when choosing on which side to pass the *obstruction*, she shall give the other boat *room* to *keep clear*.
- (b) When the boats are *overlapped*, the outside boat shall give the inside boat *room* between her and the *obstruction*, unless she has been unable to do so from the time the *overlap* began.
- (c) While boats are passing a *continuing obstruction*, if a boat that was *clear astern* and required to *keep clear* becomes *overlapped* between the other boat and the *obstruction* and, at the moment the *overlap* begins, there is not *room* for her to pass between them,
 - (1) she is not entitled to *room* under rule 19.2(b), and
 - (2) while the boats remain *overlapped*, she shall *keep clear* and rules 10 and 11 do not apply.

20 ROOM TO TACK AT AN OBSTRUCTION

20.1 Hailing

A boat may hail for *room* to tack and avoid a boat on the same *tack* by hailing 'Room to tack'. However, she shall not hail unless

- (a) she is approaching an *obstruction* and will soon need to make a substantial course change to avoid it safely, and
- (b) she is sailing close-hauled or above.

In addition, she shall not hail if the *obstruction* is a *mark* and a boat that is *fetching* it would be required to change course as a result of the hail.

20.2 Responding

- (a) After a boat hails, she shall give a hailed boat time to respond.
- (b) A hailed boat shall respond even if the hail breaks rule 20.1.
- (c) A hailed boat shall respond either by tacking as soon as possible, or by immediately replying 'You tack' and then giving the hailing boat *room* to tack and avoid her.
- (d) When a hailed boat responds, the hailing boat shall tack as soon as possible.
- (e) From the time a boat hails until she has tacked and avoided a hailed boat, rule 18.2 does not apply between them.

20.3 Passing On a Hail to an Additional Boat

When a boat has been hailed for *room* to tack and she intends to respond by tacking, she may hail another boat on the same *tack* for *room* to tack and avoid her. She may hail even if her hail does not meet the conditions of rule 20.1. Rule 20.2 applies between her and a boat she hails.

20.4 Additional Requirements for Hails

- (a) When conditions are such that a hail may not be heard, the boat shall also make a signal that clearly indicates her need for *room* to tack or her response.
- (b) The notice of race may specify an alternative communication for a boat to indicate her need for *room* to tack or her response, and require boats to use it.

SECTION D

OTHER RULES

When rule 21 or 22 applies between two boats, Section A rules do not.

21 STARTING ERRORS; TAKING PENALTIES; BACKING A SAIL

- 21.1** A boat sailing towards the pre-start side of the starting line or one of its extensions after her starting signal to *start* or to comply with rule 30.1 shall *keep clear* of a boat not doing so until her hull is completely on the pre-start side.
- 21.2** A boat taking a penalty shall *keep clear* of one that is not.
- 21.3** A boat moving astern, or sideways to windward, through the water by backing a sail shall *keep clear* of one that is not.

22 CAPSIZED, ANCHORED OR AGROUND; RESCUING

If possible, a boat shall avoid a boat that is capsized or has not regained control after capsizing, is anchored or aground, or is trying to help a person or vessel in danger. A boat is capsized when her masthead is in the water.

23 INTERFERING WITH ANOTHER BOAT

- 23.1** If reasonably possible, a boat not *racing* shall not interfere with a boat that is *racing*.
- 23.2** If reasonably possible, a boat shall not interfere with a boat that is taking a penalty, sailing on another leg or subject to rule 21.1. However, after the starting signal this rule does not apply when the boat is sailing her *proper course*.

PART 3

CONDUCT OF A RACE

25 NOTICE OF RACE, SAILING INSTRUCTIONS AND SIGNALS

- 25.1** The notice of race shall be made available to each boat that enters an event before she enters. The sailing instructions shall be made available to each boat before a race begins.
- 25.2** The meanings of the visual and sound signals stated in Race Signals shall not be changed except under rule 86.1(b). The meanings of any other signals that may be used shall be stated in the notice of race or sailing instructions.
- 25.3** When the race committee is required to display a flag as a visual signal, it may use a flag or other object of a similar appearance.

26 STARTING RACES

Races shall be started by using the following signals. Times shall be taken from the visual signals; the absence of a sound signal shall be disregarded.

<i>Minutes before starting signal</i>	<i>Visual signal</i>	<i>Sound signal</i>	<i>Means</i>
5*	Class flag	One	Warning signal
4	P, I, Z, Z with I, U, or black flag	One	Preparatory signal
1	Preparatory flag removed	One long	One minute
0	Class flag removed	One	Starting signal

*or as stated in the notice of race or sailing instructions

The warning signal for each succeeding class shall be made with or after the starting signal of the preceding class.

27 OTHER RACE COMMITTEE ACTIONS BEFORE THE STARTING SIGNAL

- 27.1** No later than the warning signal, the race committee shall signal or otherwise designate the course to be sailed if the sailing instructions have not stated the course, and it may replace one course signal with another and signal that wearing personal flotation devices is required (display flag Y with one sound).
- 27.2** No later than the preparatory signal, the race committee may move a starting *mark*.
- 27.3** Before the starting signal, the race committee may for any reason *postpone* (display flag AP, AP over H, or AP over A, with two sounds) or *abandon* the race (display flag N, N over H, or N over A, with three sounds).

28 SAILING THE COURSE

- 28.1** A boat shall *sail the course*.
- 28.2** A boat may correct any errors in *sailing the course*, provided she has not *finished*.

29 RECALLS

29.1 Individual Recall

When at a boat's starting signal any part of her hull is on the course side of the starting line or she must comply with rule 30.1, the race committee shall promptly display flag X with one sound. The flag shall be displayed until the hull of each such boat has been completely on the pre-start side of the starting line or one of its extensions, and until all such boats have complied with rule 30.1 if it applies, but no later than four minutes after the starting signal or one minute before any later starting signal, whichever is earlier. If rule 29.2, 30.3 or 30.4 applies this rule does not.

Quality Safety Equipment, Professional Advice and Servicing

29.2 General Recall

When at the starting signal the race committee is unable to identify boats that are on the course side of the starting line or to which rule 30 applies, or there has been an error in the starting procedure, the race committee may signal a general recall (display the First Substitute with two sounds). The warning signal for a new start for the recalled class shall be made one minute after the First Substitute is removed (one sound), and the starts for any succeeding classes shall follow the new start.

30 STARTING PENALTIES

30.1 I Flag Rule

If flag I has been displayed, and any part of a boat's hull is on the course side of the starting line or one of its extensions during the last minute before her starting signal, she shall sail across an extension so that her hull is completely on the pre-start side before she *starts*.

30.2 Z Flag Rule

If flag Z has been displayed, no part of a boat's hull shall be in the triangle formed by the ends of the starting line and the first *mark* during the last minute before her starting signal. If a boat breaks this rule and is identified, she shall receive, without a hearing, a 20% Scoring Penalty calculated as stated in rule 44.3(c). She shall be penalized even if the race is restarted or resailed, but not if it is *postponed* or *abandoned* before the starting signal. If she is similarly identified during a subsequent attempt to start the same race, she shall receive an additional 20% Scoring Penalty.

30.3 U Flag Rule

If flag U has been displayed, no part of a boat's hull shall be in the triangle formed by the ends of the starting line and the first *mark* during the last minute before her starting signal. If a boat breaks this rule and is identified, she shall be disqualified without a hearing, but not if the race is restarted or resailed.

rfdnz.sales@survitecgroup.com | www.survitecgroup.com

30.4 Black Flag Rule

If a black flag has been displayed, no part of a boat's hull shall be in the triangle formed by the ends of the starting line and the first *mark* during the last minute before her starting signal. If a boat breaks this rule and is identified, she shall be disqualified without a hearing, even if the race is restarted or resailed, but not if it is *postponed* or *abandoned* before the starting signal. If a general recall is signalled or the race is *abandoned* after the starting signal, the race committee shall display her sail number before the next warning signal for that race, and if the race is restarted or resailed she shall not sail in it. If she does so, her disqualification shall not be excluded in calculating her series score.

31 TOUCHING A MARK

While *racing*, a boat shall not touch a starting *mark* before *starting*, a *mark* that begins, bounds or ends the leg of the course on which she is sailing, or a finishing *mark* after *finishing*.

32 SHORTENING OR ABANDONING AFTER THE START

32.1 After the starting signal, the race committee may shorten the course or *abandon* the race:

- (a) because of foul weather,
- (b) because of insufficient wind making it unlikely that any boat will *sail the course* within the race time limit,
- (c) because a *mark* is missing or out of position, or
- (d) for any other reason directly affecting the safety or fairness of the competition.

Safety at Sea

Quality Safety Equipment, Professional Advice and Servicing

In addition, the race committee may shorten the course so that other scheduled races can be sailed, or *abandon* the race because of an error in the starting procedure. However, after one boat has *sailed the course* within the race time limit, if any, the race committee shall not *abandon* the race without considering the consequences for all boats in the race or series.

32.2 To shorten the course, the race committee shall display flag S with two sounds before the first boat crosses the finishing line. If the course is shortened, the finishing line shall be,

- (a) at a rounding *mark*, between the *mark* and a staff displaying flag S;
- (b) a line the course requires boats to cross; or
- (c) at a gate, between the gate *marks*.

32.3 To *abandon* a race in progress, the race committee shall display flag N, N over H, or N over A, with three sounds.

33 CHANGING THE NEXT LEG OF THE COURSE

While boats are *racing*, the race committee may change a leg of the course that begins at a rounding *mark* or at a gate by changing the position of the next *mark* (or the finishing line) and signalling all boats before they begin the leg. The next *mark* need not be in position at that time.

- (a) If the direction of the leg will be changed, the signal shall be the display of flag C with repetitive sounds and one or both of
 - (1) the new compass bearing,
 - (2) a green triangle for a change to starboard or a red rectangle for a change to port.
- (b) If the length of the leg will be changed, the signal shall be the display of flag C with repetitive sounds and a ‘–’ if the length will be decreased or a ‘+’ if it will be increased.

- (c) Subsequent legs may be changed without further signalling to maintain the course shape.

34 MARK MISSING

If a *mark* is missing or out of position while boats are *racing*, the race committee shall, if possible,

- (a) move it to its correct position or replace it with a new one of similar appearance, or
- (b) replace it with an object displaying flag M and make repetitive sounds.

35 RACE TIME LIMIT AND SCORES

If one boat *sails the course* within the time limit for that race, if any, all boats that *finish* shall be scored according to their finishing places unless the race is *abandoned*. If no boat *sails the course* within the race time limit, the race committee shall *abandon* the race.

36 RACES RESTARTED OR RESAILED

If a race is restarted or resailed, a breach of a *rule* in the original race, or in any previous restart or resail of that race, shall not

- (a) prohibit a boat from competing unless she has broken rule 30.4; or
- (b) cause a boat to be penalized except under rule 2, 30.2, 30.4 or 69 or under rule 14 when she has caused injury or serious damage.

37 SEARCH AND RESCUE INSTRUCTIONS

When the race committee displays flag V with one sound, all boats and official and support vessels shall, if possible, monitor the race committee communication channel for search and rescue instructions.

PART 4

OTHER REQUIREMENTS WHEN RACING

*Part 4 rules apply only to boats **racing** unless the rule states otherwise.*

SECTION A

GENERAL REQUIREMENTS

40 PERSONAL FLOTATION DEVICES

40.1 Basic Rule

When rule 40.1 is made applicable by rule 40.2, each competitor shall wear a personal flotation device except briefly while changing or adjusting clothing or personal equipment. Wet suits and dry suits are not personal flotation devices.

40.2 When Rule 40.1 Applies

Rule 40.1 applies if

- (a) flag Y was displayed afloat with one sound before or with the warning signal, while *racing* in that race;
- (b) flag Y was displayed ashore with one sound, at all times while afloat that day; or
- (c) a rule in the class rules, notice of race or sailing instructions states that it applies.

41 OUTSIDE HELP

A boat shall not receive help from any outside source, except

- (a) help for a crew member who is ill, injured or in danger;
- (b) after a collision, help from the crew of the other vessel to get clear;
- (c) help in the form of information freely available to all boats;
- (d) unsolicited information from a disinterested source, which may be another boat in the same race.

42 PROPULSION

42.1 Basic Rule

Except when permitted in rule 42.3 or 45, a boat shall compete by using only the wind and water to increase, maintain or decrease her speed. Her crew may adjust the trim of sails and hull, and perform other acts of seamanship, but shall not otherwise move their bodies to propel the boat.

42.2 Prohibited Actions

Without limiting the application of rule 42.1, these actions are prohibited:

- (a) pumping: repeated fanning of any sail either by pulling in and releasing the sail or by vertical or athwartship body movement;
- (b) rocking: repeated rolling of the boat, induced by
 - (1) body movement,
 - (2) repeated adjustment of the sails or centreboard, or
 - (3) steering;

Quality Safety Equipment, Professional Advice and Servicing

Shop online: www.safetyatsea.co.nz - Email: sales@safetyatsea.co.nz - Ph: 09 309 9111

- (c) ooching: sudden forward body movement, stopped abruptly;
- (d) sculling: repeated movement of the helm that is either forceful or that propels the boat forward or prevents her from moving astern;
- (e) repeated tacks or gybes unrelated to changes in the wind or to tactical considerations.

42.3 Exceptions

- (a) A boat may be rolled to facilitate steering.
- (b) A boat's crew may move their bodies to exaggerate the rolling that facilitates steering the boat through a tack or a gybe, provided that, just after the tack or gybe is completed, the boat's speed is not greater than it would have been in the absence of the tack or gybe.
- (c) When surfing (rapidly accelerating down the front of a wave), planing or foiling is possible,
 - (1) to initiate surfing or planing, each sail may be pulled in only once for each wave or gust of wind, or
 - (2) to initiate foiling, each sail may be pulled in any number of times.
- (d) When a boat is above a close-hauled course and either stationary or moving slowly, she may scull to turn to a close-hauled course.
- (e) If a batten is inverted, the boat's crew may pump the sail until the batten is no longer inverted. This action is not permitted if it clearly propels the boat.
- (f) A boat may reduce speed by repeatedly moving her helm.
- (g) Any means of propulsion may be used to help a person or another vessel in danger.

- (h) To get clear after grounding or colliding with a vessel or object, a boat may use force applied by her crew or the crew of the other vessel and any equipment other than a propulsion engine. However, the use of an engine may be permitted by rule 42.3(i).
- (i) Sailing instructions may, in stated circumstances, permit propulsion using an engine or any other method, provided the boat does not gain a significant advantage in the race.

Note: Interpretations of rule 42 are available on the World Sailing website or by mail upon request.

43 EXONERATION

- 43.1**
- (a) When as a consequence of breaking a *rule* a boat has compelled another boat to break a *rule*, the other boat is exonerated for her breach.
 - (b) When a boat is sailing within the *room* or *mark-room* to which she is entitled and, as a consequence of an incident with a boat required to give her that *room* or *mark-room*, she breaks a rule of Section A of Part 2, rule 15, 16, or 31, she is exonerated for her breach.
 - (c) A right-of-way boat, or one sailing within the *room* or *mark-room* to which she is entitled, is exonerated for breaking rule 14 if the contact does not cause damage or injury.
- 43.2** A boat exonerated for breaking a *rule* need not take a penalty and shall not be penalized for breaking that *rule*.

44 PENALTIES AT THE TIME OF AN INCIDENT

44.1 Taking a Penalty

A boat may take a Two-Turns Penalty when she may have broken one or more rules of Part 2 in an incident while *racing*. She may take a One-Turn Penalty when she may have broken rule 31.

Quality Safety Equipment, Professional Advice and Servicing

Shop online: www.safetyatsea.co.nz - Email: sales@safetyatsea.co.nz - Ph: 09 309 9111

Alternatively, the notice of race or sailing instructions may specify the use of the Scoring Penalty or some other penalty, in which case the specified penalty shall replace the One-Turn and the Two-Turns Penalty. However,

- (a) when a boat may have broken a rule of Part 2 and rule 31 in the same incident she need not take the penalty for breaking rule 31;
- (b) if the boat caused injury or serious damage or, despite taking a penalty, gained a significant advantage in the race or series by her breach her penalty shall be to retire.

44.2 One-Turn and Two-Turns Penalties

After getting well clear of other boats as soon after the incident as possible, a boat takes a One-Turn or Two-Turns Penalty by promptly making the required number of turns in the same direction, each turn including one tack and one gybe. When a boat takes the penalty at or near the finishing line, her hull shall be completely on the course side of the line before she *finishes*.

44.3 Scoring Penalty

- (a) If specified in the notice of race or sailing instructions, a boat takes a Scoring Penalty by displaying a yellow flag at the first reasonable opportunity after the incident.
- (b) When a boat has taken a Scoring Penalty, she shall keep the yellow flag displayed until *finishing* and call the race committee's attention to it at the finishing line. At that time she shall also inform the race committee of the identity of the other boat involved in the incident. If this is impracticable, she shall do so at the first reasonable opportunity and within the protest time limit.

- (c) The race score for a boat that takes a Scoring Penalty shall be the score she would have received without that penalty, made worse by the number of points stated in the notice of race or sailing instructions. When the number of points is not stated, the penalty shall be 20% of the score for Did Not *Finish*, rounded to the nearest tenth of a point (0.05 rounded upward). The scores of other boats shall not be changed; therefore, two boats may receive the same score. However, the penalty shall not cause the boat's score to be worse than the score for Did Not *Finish*.

45 HAULING OUT; MAKING FAST; ANCHORING

A boat shall be afloat and off moorings at her preparatory signal. Thereafter, she shall not be hauled out or made fast except to bail out, reef sails or make repairs. She may anchor or the crew may stand on the bottom. She shall recover the anchor before continuing in the race unless she is unable to do so.

46 PERSON IN CHARGE

A boat shall have on board a person in charge designated by the member or organization that entered the boat. See rule 75.

Yachting New Zealand prescribes that the designated person on board shall be a member of a club affiliated to Yachting New Zealand, or a member of an organisation affiliated to another World Sailing Member National Authority unless dispensation has been given by World Sailing.

47 TRASH DISPOSAL

Competitors and *support persons* shall not intentionally put trash in the water. This rule applies at all times while afloat. The penalty for a breach of this rule may be less than disqualification.

SECTION B

EQUIPMENT-RELATED REQUIREMENTS

48 LIMITATIONS ON EQUIPMENT AND CREW

- 48.1** A boat shall use only the equipment on board at her preparatory signal.
- 48.2** No person on board shall intentionally leave, except when ill or injured, or to help a person or vessel in danger, or to swim. A person leaving the boat by accident or to swim shall be back in contact with the boat before the crew resumes sailing the boat to the next *mark*.

49 CREW POSITION; LIFELINES

- 49.1** Competitors shall use no device designed to position their bodies outboard, other than hiking straps and stiffeners worn under the thighs.
- 49.2** When lifelines are required by the class rules or any other *rule*, competitors shall not position any part of their torsos outside them, except briefly to perform a necessary task. However, on boats equipped with upper and lower lifelines, competitors sitting facing outboard with their waist inside the lower lifeline may have the upper part of their body outside the upper lifeline. Unless a class rule or any other *rule* specifies a maximum deflection, lifelines shall be taut. If the class rules do not specify the material or minimum diameter of lifelines, they shall comply with the corresponding specifications in the *World Sailing Offshore Special Regulations*.

Note: Those regulations are available on the World Sailing website.

50 COMPETITOR CLOTHING AND EQUIPMENT

- 50.1** (a) Competitors shall not wear or carry clothing or equipment for the purpose of increasing their weight.

- (b) Furthermore, a competitor's clothing and equipment shall not weigh more than 8 kilograms, excluding a crew harness (as defined in *The Equipment Rules of Sailing*) and clothing (including footwear) worn only below the knee. Class rules or the notice of race may specify a lower weight or a higher weight up to 10 kilograms. Class rules may include footwear and other clothing worn below the knee within that weight. A crew harness shall have positive buoyancy in fresh water and shall not weigh more than 2 kilograms, except that class rules may specify a higher weight up to 4 kilograms. Weights shall be determined as required by Appendix H.
- (c) A crew harness shall allow the competitor, at any time, to easily disconnect the harness from the trapeze or attachment to the boat.

50.2 Rules 50.1(b) and 50.1(c) do not apply to boats required to be equipped with lifelines.

51 MOVABLE BALLAST

All movable ballast, including sails that are not set, shall be properly stowed. Water, dead weight or ballast shall not be moved for the purpose of changing trim or stability. Floorboards, bulkheads, doors, stairs and water tanks shall be left in place and all cabin fixtures kept on board. However, bilge water may be bailed out.

52 MANUAL POWER

A boat's standing rigging, running rigging, spars and movable hull appendages shall be adjusted and operated only by the power provided by the crew.

53 SKIN FRICTION

A boat shall not eject or release a substance, such as a polymer, or have specially textured surfaces that could improve the character of the flow of water inside the boundary layer.

54 FORESTAYS AND HEADSAIL TACKS

Forestays and headsail tacks, except those of spinnaker staysails when the boat is not close-hauled, shall be attached approximately on a boat's centreline.

55 SETTING AND SHEETING SAILS

55.1 Changing Sails

When headsails or spinnakers are being changed, a replacing sail may be fully set and trimmed before the replaced sail is lowered. However, only one mainsail and, except when changing, only one spinnaker shall be carried set at a time.

55.2 Spinnaker Poles; Whisker Poles

Only one spinnaker pole or whisker pole shall be used at a time except when gybing. When in use, it shall be attached to the foremost mast spar (as defined in *The Equipment Rules of Sailing*).

Yachting New Zealand prescribes that unless the class rules, notice of race or sailing instructions state otherwise, a boat may tack a spinnaker to an outrigger forward of the foremost mast. In a race in which handicaps apply, a boat shall only race with a handicap which is valid for the configuration of spars and sails used.

55.3 Sheeting Sails

No sail shall be sheeted over or through any device that exerts outward pressure on a sheet or clew of a sail at a point from which, with the boat upright, a vertical line would fall outside the hull or deck, except:

- (a) a headsail clew may be connected (as defined in *The Equipment Rules of Sailing*) to a whisker pole, provided that a spinnaker is not set;
- (b) any sail may be sheeted to or led above a boom that is regularly used for a sail and is permanently attached to the mast from which the head of the sail is set;

- (c) a headsail may be sheeted to its own boom that requires no adjustment when tacking; and
- (d) the boom of a sail may be sheeted to a bumkin.

55.4 Headsails and Spinnakers

For the purposes of rules 54 and 55 and Appendix G, the definitions of ‘headsail’ and ‘spinnaker’ in *The Equipment Rules of Sailing* shall be used.

Note: The Equipment Rules of Sailing are available on the World Sailing website.

56 FOG SIGNALS AND LIGHTS; TRAFFIC SEPARATION SCHEMES; TRACKING SYSTEMS

56.1 When so equipped, a boat shall sound fog signals and show lights as required by the *International Regulations for Preventing Collisions at Sea (IRPCAS)* or applicable government rules.

56.2 A boat shall comply with rule 10, Traffic Separation Schemes, of the *IRPCAS*.

Note: Appendix TS, Traffic Separation Schemes, is available on the World Sailing website. The notice of race may change rule 56.2 by stating that Section A, Section B or Section C of Appendix TS applies.

56.3 When a *rule* requires a boat to be equipped with an Automatic Identification System transponder or any other tracking device, it shall not be turned off or its effectiveness intentionally reduced.

PART 5

PROTESTS, REDRESS, HEARINGS, MISCONDUCT AND APPEALS

A hearing request form and a hearing decision form are available on the World Sailing website at: www.sailing.org/racingrules

The Racing Rules of Sailing does not require a particular hearing request form to be used.

Yachting New Zealand prescribes that no fee shall be charged for the delivery, arbitration, hearing, written decision or re-opening of any protest or request for redress unless a protest involves a class rule or rule 50.

SECTION A

PROTESTS; REDRESS; SUPPORT PERSONS

60 PROTESTS

60.1 Right to Protest

A boat or *committee* may protest a boat.

60.2 Intention to Protest

- (a) If a *protest* concerns an incident observed by the protestor in the racing area:
 - (1) If the protestor is a boat, she shall hail 'Protest' and, if her hull length is longer than 6 metres, conspicuously display a red flag, at the first reasonable opportunity for each. She shall display the flag until she is no longer *racing*.

RFD New Zealand Limited
Auckland 09 373 20179 | Nelson 093 548 2998 | 0800 777 009
rfdnz.sales@survitecgroup.com | www.survitecgroup.com

- (2) If the protestor is a *committee*, it shall inform the boat after the race within the protest time limit of its intention to protest her.
- (b) However, if
 - (1) the protestee is not within hailing distance at the time of the incident,
 - (2) the incident was an error in *sailing the course*,
 - (3) the incident was not observed by the protestor in the racing area, or
 - (4) a protest committee decides to protest a boat under rule 60.4(c),then the only requirement for the protestor is to inform the protestee of its intention to protest at the first reasonable opportunity.
- (c) If at the time of the incident it is obvious to a protesting boat that a member of either crew is in danger, or that injury or serious damage has resulted, rules 60.2(a) and 60.2(b) do not apply to her, but she shall attempt to inform the other boat within the protest time limit of her intention to protest.
- (d) A *committee* may inform a boat of its intention to protest by posting a notice on the official notice board.

60.3 Delivering a Protest

- (a) When delivered, a *protest* shall be in writing and identify the protestor, the protestee, and the incident.

Quality Safety Equipment, Professional Advice and Servicing

Shop online: www.safetyatsea.co.nz - Email: sales@safetyatsea.co.nz - Ph: 09 309 9111

- (b) A *protest* shall be delivered to the race office (or by such other method as stated in the sailing instructions) within the protest time limit unless the protest committee decides there is good reason to extend the time. The protest time limit is
 - (1) for *protests* about an incident observed in the racing area, two hours after the last boat in the race *finishes*, or
 - (2) for other *protests*, two hours after the relevant information is available to the protestor.

However, if the sailing instructions state a different protest time limit, then that time limit applies instead.

60.4 Protest Validity

- (a) A *protest* is invalid
 - (1) if it does not comply with the definition *Protest* or rule 60.2 or 60.3,
 - (2) if it is from a boat that alleges a breach of a rule of Part 2 or rule 31, but she was not involved in it or did not see the incident, or
 - (3) as far as it alleges a breach of rule 69 or a Regulation referred to in rule 6, unless permitted by the Regulation concerned.
- (b) A *protest* is invalid also if it is from a *committee* and is based on information from
 - (1) a request for redress,
 - (2) an invalid *protest*, or
 - (3) a report from a person with a *conflict of interest* (other than a representative of the boat herself).

- (c) However, rule 60.4(b) does not apply to a *protest* from
 - (1) the protest committee if it learns of an incident involving a boat that may have resulted in injury or serious damage,
 - (2) the protest committee if it learns during the hearing of a valid *protest* that the boat, although not a *party* to the hearing, was involved in the incident and may have broken a *rule*, or
 - (3) the technical committee if it has first conducted an inspection and decided a boat or personal equipment does not comply with the class rules or rule 50.

60.5 Protest Decisions

- (a) The protest committee shall conduct a hearing as required by rule 63 to decide a *protest*.
- (b) A boat shall only be penalized
 - (1) at a protest hearing to which she is a *party*,
 - (2) under rule 62.4, 64 or 69, or
 - (3) under a *rule* which expressly states that a penalty may be applied without a hearing.
- (c) If the protest committee decides that a boat has broken a *rule* it shall disqualify her whether or not the applicable *rule* was mentioned in the *protest*. However, the boat shall not be disqualified if
 - (1) she is exonerated or some other penalty applies,
 - (2) the boat has already taken an applicable penalty, in which case she shall not be penalized further unless the penalty for a *rule* she broke is disqualification that is not excludable,
 - (3) the race is restarted or resailed, in which case rule 36 applies, or
 - (4) she broke a class rule and rule 60.5(d)(1) applies.

If a boat has broken a *rule* when not *racing*, her penalty shall apply to the race sailed nearest in time to the incident.

- (d) If the protest committee decides that a boat has broken a class rule:
 - (1) the boat shall not be penalized if any deviations in excess of tolerances specified in the class rules were caused by damage or normal wear and they did not improve the performance of the boat,
 - (2) the boat shall not *race* again until any such deviations have been corrected unless the protest committee decides there is, or has been, no reasonable opportunity to do so,
 - (3) any breach of the same rule in earlier races in the same event may have the same penalty imposed for all such races without further *protest*, and
 - (4) the boat may compete in subsequent races without changes to the boat, but only if she states in writing that she intends to appeal. If she fails to appeal, or the appeal is not successful, she shall be disqualified without a hearing from all subsequent races in which she competed.

Yachting New Zealand prescribes that if a protest committee is satisfied that a breach of a Yachting New Zealand Safety Regulation is inadvertent or accidental, it may impose a warning or penalty less than disqualification.

61 REDRESS

61.1 Requesting or Considering Redress

- (a) A boat may request redress.
- (b) The race committee or the technical committee may request redress for a boat.
- (c) The protest committee may call a hearing to consider redress for a boat.

RFD New Zealand Limited

61.2 Requests for Redress

- (a) A request for redress shall be in writing and identify the reason for making it.
- (b) A request shall be delivered to the race office (or by such other method as stated in the sailing instructions):
 - (1) if it is based on an incident in the racing area, within the protest time limit or two hours after the incident (whichever is later),
 - (2) if it is based on a protest committee decision on the last scheduled day of racing, no later than 30 minutes after the decision was posted, or
 - (3) for all other requests, as soon as reasonably possible after the relevant information is available.

However, the protest committee shall extend the time if there is good reason to do so.

61.3 Invalid Requests

A request for redress is invalid if it does not comply with rule 61.2.

61.4 Redress Decisions

- (a) The protest committee shall conduct a hearing as required by rule 63 to decide whether to grant redress.
- (b) A boat is entitled to redress if her score or place in a race or series has been made, or may be made, significantly worse through no fault of her own by
 - (1) an improper action or improper omission of a *committee* or the organizing authority, but not by a protest committee decision when the boat was a *party* to the hearing,
 - (2) injury or physical damage because of the action of a boat that was breaking a rule of Part 2 and took an appropriate penalty or was penalized,

Quality Safety Equipment, Professional Advice and Servicing

Shop online: www.safetyatsea.co.nz - Email: sales@safetyatsea.co.nz - Ph: 09 309 9111

- (3) injury or physical damage because of the action of a vessel not *racing* that was required to keep clear or is determined to be at fault under the *IRPCAS* or a government right-of-way rule,
 - (4) giving help (except to herself or her crew) in compliance with rule 1.1, or
 - (5) an action of another boat, or a crew member or *support person* of that boat, that resulted in a penalty under rule 2 or a penalty or warning under rule 69.
- (c) If a boat is entitled to redress, the protest committee shall make as fair an arrangement as possible for all boats affected, whether or not they asked for redress. This may be to adjust the scoring (see rule A9 for examples) or finishing times of boats, to *abandon* the race, to let the results stand or to make some other arrangement.
- (d) If there is doubt about the facts or probable results of any arrangement for the race or series, especially before *abandoning* the race, the protest committee shall take evidence from appropriate sources.

62 SUPPORT PERSONS

- 62.1** Upon receipt of a report from a boat or a *committee*, or based on its own observation or information from any source, including evidence taken during a hearing, the protest committee may call a hearing to consider whether a *support person* has broken a *rule*.
- 62.2** If the protest committee decides to call a hearing, it shall conduct a hearing as required by rule 63 and may appoint a person to present the allegations.

- 62.3** If the protest committee decides that a *support person* who is a *party* to the hearing has broken a *rule*, it may
- (a) issue a warning,
 - (b) exclude the person from the event or venue or remove any privileges or benefits, or
 - (c) take other action within its jurisdiction as provided by the *rules*.
- 62.4** In addition, if the protest committee decides that
- (a) a boat may have gained a competitive advantage as the result of the breach by the *support person*, or
 - (b) the *support person* committed a further breach after the protest committee warned a boat in writing, following a previous hearing, that a penalty may be imposed,
- then the protest committee may also penalize a boat that is a *party* to the hearing for the breach of a *rule* by a *support person* by changing the boat's score in a single race, up to and including disqualification.

SECTION B

HEARINGS AND MAKING DECISIONS

Rule 63 applies to all hearings conducted by the protest committee.

63 CONDUCT OF HEARINGS

63.1 Rights of Parties

- (a) All *parties* to a hearing shall be
 - (1) informed of the time and place of the hearing,
 - (2) given access to the *protest*, request for redress, or report to be considered at the hearing,
 - (3) allowed reasonable time to prepare for the hearing, and
 - (4) allowed to have a representative present throughout the hearing of the evidence but, in a *protest* involving a breach of a rule of Part 2, 3 or 4, representatives of boats shall have been on board at the time of the incident unless there is good reason for the protest committee to decide otherwise.
- (b) If a *party* does not come to a hearing, the protest committee may proceed with the hearing in their absence.

63.2 Hearings

- (a) The protest committee shall hear each *protest* or request delivered unless it allows it to be withdrawn.
- (b) The protest committee may combine hearings which arise from the same or very closely connected incidents into one hearing. However, a hearing under rule 69 shall not be combined with any other type of hearing.

RFD New Zealand Limited

rfdnz.sales@survitecgroup.com | www.survitecgroup.com

- (c) If the validity requirements are met, the protest committee may change the type of case if it is appropriate to do so having considered the information in the case, including any evidence given during a hearing.
- (d) If the protest committee decides to protest a boat under rule 60.4(c)(2), it shall close the current hearing, deliver a *protest* in accordance with the *rules*, and then hear the original and new *protests* together.
- (e) A hearing involving *parties* in different events conducted by different organizing authorities shall be heard by a protest committee acceptable to those authorities.

63.3 Conflict of Interest

- (a) A protest committee member shall declare any possible *conflict of interest* as soon as possible after becoming aware of it.
- (b) A *party* to the hearing who believes a protest committee member has a *conflict of interest* shall object as soon as possible.
- (c) A protest committee member with a *conflict of interest* shall not be a member of the protest committee for the hearing, unless:
 - (1) all *parties* consent, or
 - (2) the protest committee decides that the *conflict of interest* is not significant.

However, for World Sailing major events, or for other events as prescribed by the national authority of the venue, a person who has a *conflict of interest* shall not be a member of the protest committee.

- (d) When deciding whether a *conflict of interest* is significant, the protest committee shall consider
 - (1) the views of the *parties*,
 - (2) the level of the conflict,
 - (3) the level of the event,
 - (4) the importance to each *party* of the case, and
 - (5) the overall perception of fairness.
- (e) Any written information provided under rule 63.6(b) shall include any *conflict of interest* declared by a protest committee member, and any decision by the protest committee under rule 63.3(c)(2).

63.4 Hearing Procedure

- (a) The protest committee shall first consider validity. The hearing shall be closed if
 - (1) a *protest* or request is invalid, or
 - (2) a *protest* was made under rule 60.4(c)(1) and there was no injury or serious damage.
- (b) The protest committee shall take the evidence of the *parties* present at the hearing, their witnesses, and any other evidence it considers necessary. Hearsay evidence is admissible. However, the protest committee may exclude evidence which is irrelevant or unduly repetitive.
- (c) A *party* present at the hearing may question any person who gives evidence.
- (d) A member of the protest committee who saw the incident shall, as soon as reasonably possible, declare this fact to the *parties* attending the hearing.

- (e) A witness shall be excluded from the hearing when not giving evidence, except for a witness who:
 - (1) is also a *party*, or
 - (2) is a member of the protest committee.

63.5 Decisions

- (a) The protest committee shall consider the evidence and decide what weight to give it. It shall then find the facts based on the balance of probabilities (unless an applicable *rule* requires otherwise), and then apply the *rules* to those facts to make its conclusions and a decision.
- (b) Decisions shall be made by simple majority vote. When there is an equal division of votes, the chair of the hearing may cast an additional vote.
- (c) If there is a conflict between
 - (1) two or more *rules* that must be resolved before a decision can be made, and
 - (2) those *rules* are in the notice of race, the sailing instructions, or any of the other documents that govern the event under item (g) of the definition *Rule*,then the protest committee shall apply the *rule* that it believes will provide the fairest result for all boats affected.
- (d) If the protest committee is in doubt about the meaning of a class rule, it shall refer its questions, together with the relevant facts, to an authority responsible for interpreting the rule. In making its decision, the protest committee is bound by the authority's reply.

63.6 Informing the Parties and Others

- (a) The protest committee shall promptly inform the *parties* to the hearing of the facts found, the applicable *rules*, the decision, the reasons for it, any penalties imposed, and any redress given.
- (b) If requested by a *party* in writing within seven days of being informed of the decision, the above information shall be provided promptly in writing and the protest committee may, if it considers it relevant to do so, prepare or endorse a diagram.
- (c) The protest committee may publish the above information after any hearing, including a hearing under rule 69, unless it decides there is good reason not to do so.
- (d) The protest committee may direct that the above information is to be confidential to the *parties*.
- (e) If the protest committee penalizes a boat under a class rule, it shall send the above information to the relevant class rule authorities.

63.7 Reopening a Hearing

- (a) The protest committee may reopen a hearing if it decides
 - (1) a *party* was unavoidably absent from the hearing,
 - (2) it may have made a significant error, or
 - (3) significant new evidence has become available within a reasonable time.

However, a protest committee shall reopen a hearing when required to do so by the national authority under rule 71.3 or R5.

- (b) A *party* to the hearing may request a reopening by delivering a written request to the race office (or by such other method as stated in the sailing instructions) no later than 24 hours after being informed of the decision. The request shall identify the reason for making it. However, on the last scheduled day of racing the request shall be delivered
 - (1) within the protest time limit if the requesting *party* was informed of the decision on the previous day;
 - (2) no later than 30 minutes after the *party* was informed of the decision on that day.

A request that does not comply with this rule is invalid.

- (c) The protest committee shall consider all requests to reopen a hearing. When a request to reopen is being considered, or when the hearing is reopened,
 - (1) if based only on new evidence, a majority of the members of the protest committee shall, if practicable, be members of the original committee;
 - (2) if based on a significant error, the protest committee shall, if practicable, have at least one new member.

64 DISCRETIONARY PENALTIES

When a boat reports within the protest time limit that she has broken a *rule* which is subject to a discretionary penalty, the protest committee shall decide the appropriate penalty having first considered the evidence that it considers appropriate. There is no requirement to hold a hearing.

65 LEGAL LIABILITY AND COSTS

- 65.1 Questions of legal liability arising from a breach of a *rule*, including any claims for monetary damages, shall be governed by prescriptions, if any, of the national authority.

Yachting New Zealand prescribes that:

- (a) The findings of fact, and decisions of protest committees, shall be relevant only for the purposes of the Racing Rules of Sailing.*
- (b) Any issue of liability or claim for monetary damages arising from an incident while a boat is bound by The Racing Rules of Sailing shall be subject to the jurisdiction of the courts and not considered by a protest committee.*
- (c) A boat that retires from a race, or accepts a penalty does not, by that action alone, admit liability.*

65.2 Any measurement costs arising from a *protest* involving a class rule shall be paid by the unsuccessful *party* unless the protest committee decides otherwise.

Yachting New Zealand prescribes that when a protest involves a class rule or rule 50:

- (a) The technical committee may require the protestor to pay a deposit to cover the expenses caused by the protest. If the deposit is not paid promptly the protest shall be deemed to have been withdrawn.*
- (b) If the protest is dismissed, the expenses caused by the protest will be paid by the protestor.*
- (c) If the protest is upheld the expenses caused by the protest will be paid by the protestee and the deposit will be returned to the protestor.*

Note: There are no rules 66 to 68.

SECTION C

MISCONDUCT

69 MISCONDUCT

69.1 Obligation not to Commit Misconduct; Resolution

- (a) A competitor, boat owner or *support person* shall not commit an act of misconduct.
- (b) Misconduct is:
 - (1) conduct that is a breach of good manners, a breach of good sportsmanship, or unethical behaviour; or
 - (2) conduct that may bring, or has brought, the sport into disrepute.
- (c) An allegation of a breach of rule 69.1(a) shall be resolved in accordance with the provisions of rule 69. It shall not be grounds for a *protest*.

69.2 Action by a Protest Committee

- (a) A protest committee acting under this rule shall have at least three members.
- (b) When a protest committee, from its own observation or from information received from any source, including evidence taken during a hearing, believes a person may have broken rule 69.1(a), it shall decide whether or not to call a hearing.
- (c) When the protest committee needs more information to make the decision to call a hearing, it shall consider appointing a person or persons to conduct an investigation. These investigators shall not be members of the protest committee that will decide the matter.
- (d) When an investigator is appointed, all relevant information gathered by the investigator, favourable or unfavourable, shall be disclosed to the protest committee, and if the protest committee decides to call a hearing, to the *parties*.

- (e) If the protest committee decides to call a hearing, it shall promptly inform the person in writing of the alleged breach and of the time and place of the hearing and follow the procedures in rule 63, except that:
 - (1) unless a person has been appointed by World Sailing, a person may be appointed by the protest committee to present the allegation.
 - (2) a person against whom an allegation has been made under this rule shall be entitled to attend the hearing with an advisor and a representative who may act on the person's behalf.
- (f) If a *party*
 - (1) provides good reason for being unable to come to the hearing at the scheduled time, the protest committee shall reschedule it; or
 - (2) does not provide good reason and does not come to the hearing, the protest committee may conduct it without that *party* present.
- (g) The standard of proof to be applied is the test of the comfortable satisfaction of the protest committee, bearing in mind the seriousness of the alleged misconduct. However, if the standard of proof in this rule conflicts with the laws of a country, the national authority may, with the approval of World Sailing, change it with a prescription to this rule.
- (h) When the protest committee decides that a competitor or boat owner has broken rule 69.1(a), it may take one or more of the following actions
 - (1) issue a warning;
 - (2) change their boat's score in one or more races, including disqualification(s) that may or may not be excluded from her series score;

- (3) exclude the person from the event or venue or remove any privileges or benefits; and
 - (4) take any other action within its jurisdiction as provided by the *rules*.
- (i) When the protest committee decides that a *support person* has broken rule 69.1(a), rules 62.3 and 62.4 apply.
- (j) If the protest committee
 - (1) imposes a penalty greater than one DNE;
 - (2) excludes the person from the event or venue; or
 - (3) in any other case if it considers it appropriate,it shall report its findings, including the facts found, its conclusions and decision to the national authority of the person or, for major international events listed in the World Sailing Code of Ethics, to World Sailing. If the protest committee has acted under rule 69.2(f)(2), the report shall also include that fact and the reasons for it.
- (k) If the protest committee decides not to conduct the hearing without a *party* present, or if the protest committee has left the event and a report alleging a breach of rule 69.1(a) is received, the race committee or organizing authority may appoint the same or a new protest committee to proceed under this rule. If the protest committee decides it is impractical to conduct a hearing, it shall collect all available information and, if the allegation seems justified, make a report to the national authority of the person or, for major international events listed in the World Sailing Code of Ethics, to World Sailing.

69.3 Action by a National Authority and World Sailing

The disciplinary powers, procedures and responsibilities of national authorities and World Sailing that apply are specified in the World Sailing Code of Ethics. National authorities and World Sailing may impose further penalties, including suspension of eligibility, under that code.

SECTION D

APPEALS

70 APPEALS AND REQUESTS TO A NATIONAL AUTHORITY

Yachting New Zealand prescribes that its approval is required for denying the right of appeal under rule 70.3(b), (c) and (d).

- 70.1** Unless rule 70.3 applies, a *party* to a hearing has the right to appeal the protest committee's decision or its procedures, but not the facts found, to the national authority. In addition, a *party* may appeal when the protest committee has failed to hold a hearing or to make a decision.
- 70.2** A protest committee may request confirmation or correction of its decision by the national authority.
- 70.3** There is no right to appeal decisions:
- (a) of an international jury properly constituted under Appendix N,
 - (b) that are essential to promptly determine the result of a race that will qualify a boat to compete in a later stage of an event or a subsequent event (and the national authority may prescribe that its approval is required for the use of this rule),
 - (c) made at an event open only to boats entered by
 - (1) an organization affiliated to the national authority, or a member of such an organization, or
 - (2) a personal member of the national authority,provided the national authority has granted its approval for the use of this rule, or

- (d) made at an event by a protest committee constituted as required by Appendix N, except that only two members of the protest committee need be International Judges, and provided that the national authority has granted its approval to the use of this rule after consultation with World Sailing.

However, (b), (c) and (d) shall only apply if specified in the notice of race or sailing instructions.

70.4 In rules 70 to 72, the national authority means the one to which the organizing authority is associated under rule 89.1. However, if boats will pass through the waters of more than one national authority while *racing*, an appeal or request shall be sent to the national authority where the finishing line is located, unless the sailing instructions identify another national authority.

70.5 Appeals and requests shall conform to Appendix R.

71 NATIONAL AUTHORITY DECISIONS

71.1 A person who has a *conflict of interest* or was a member of the protest committee shall not take any part in the discussion or decision on an appeal or a request for confirmation or correction.

71.2 The national authority shall accept the facts found by the protest committee unless rule R5 applies.

71.3 The national authority may:

- (a) uphold, change or reverse the protest committee's decision (including a decision on validity or a decision under rule 69),
- (b) order that the hearing be reopened, or
- (c) order that a new hearing be held by the same protest committee or by a new protest committee (which may be appointed by the national authority).

- 71.5** If the national authority decides that a boat that was a *party* to a protest hearing broke a *rule* and is not exonerated, it shall penalize her, whether or not that boat or that *rule* was mentioned in the protest committee's decision.

PART 6

ENTRY AND QUALIFICATION

75 ENTERING AN EVENT

To enter an event, a boat shall comply with the requirements of the organizing authority of the event. She shall be entered by

- (a) a member of a club or other organization affiliated to a World Sailing member national authority,
- (b) such a club or organization, or
- (c) a member of a World Sailing member national authority.

76 EXCLUSION OF BOATS OR COMPETITORS

76.1 The organizing authority or the race committee may reject or cancel the entry of a boat or exclude a competitor, provided

- (a) it does so before the start of the first race after receipt of the entry for the boat or the competitor, and
- (b) it states a proper reason for doing so.

The reason shall be provided promptly in writing if requested by the boat or competitor.

Yachting New Zealand prescribes that organising authorities shall not accept entries from keel, trailer or multihull boats which are not registered with Yachting New Zealand or with their national authority, or with their International Class Associations in the names of the current owners and such boats shall not be entitled to race.

- 76.2** However, the organizing authority or the race committee shall not reject or cancel the entry of a boat or exclude a competitor
- (a) because of advertising if the boat or competitor complies with the World Sailing Advertising Code, or
 - (b) at world and continental championships if the entry is within stated quotas and the approval of the relevant World Sailing Class Association (or the Offshore Racing Congress) or World Sailing has not been obtained.
- 76.3** Redress may be requested by a boat or competitor that considers that the rejection or exclusion is improper or that it broke rule 76.2.

In addition, the boat shall also comply at other times specified in the class rules, the notice of race or the sailing instructions. When a *rule* provides that the penalty for a breach of a class rule may be less than disqualification, the same penalty will apply to a breach of this rule.

78.2 When a *rule* requires a valid certificate to be produced or its existence verified before a boat *races*, and this cannot be done, the boat may *race* provided that the appropriate *committee* receives a statement signed by the person in charge that a valid certificate exists. The boat shall produce the certificate or arrange for its existence to be verified by the appropriate *committee* before the start of the last day of the event, or of the first series, whichever is earlier. The penalty for breaking this rule is disqualification without a hearing from all races of the event.

79 CATEGORIZATION

If the notice of race or class rules state that some or all competitors must satisfy categorization requirements, the categorization shall be carried out as described in the World Sailing Sailor Categorization Code.

80 RESCHEDULED EVENT

When an event is rescheduled to dates different from the dates stated in the notice of race, all boats entered shall be notified. The race committee may accept new entries that meet all the entry requirements except the original deadline for entries.

APPENDIX A

SCORING

See rule 90.3.

A1 NUMBER OF RACES

The number of races scheduled and the number required to be scored to constitute a series shall be stated in the notice of race or sailing instructions; see rule 90.3(a).

A2 SERIES SCORES

A2.1 Each boat's series score shall, subject to rule 90.3(b), be the total of her race scores excluding her worst score. However, the notice of race or sailing instructions may make a different arrangement by providing, for example, that no score will be excluded, that two or more scores will be excluded, or that a specified number of scores will be excluded if a specified number of races are scored; see rule 90.3(a). If a boat has two or more equal worst scores, the score(s) for the race(s) sailed earliest in the series shall be excluded. The boat with the lowest series score wins and others shall be ranked accordingly.

A2.2 If a boat has entered any race in a series, she shall be scored for the whole series.

A3 STARTING TIMES AND FINISHING PLACES

The time of a boat's starting signal shall be her starting time, and the order in which boats *finish* a race shall determine their finishing places. However, when a handicap or rating system is used a boat's corrected time shall determine her finishing place.

- (a) did not *sail the course*,
- (b) did not comply with rule 30.2, 30.3, 30.4 or 78.2, or
- (c) retired or took a penalty under rule 44.3(a),

it shall score the boat accordingly without a hearing. Only the protest committee may take other scoring actions that worsen a boat's score.

A5.2 A boat that did not *sail the course*, retired or was disqualified shall be scored points for the finishing place one more than the number of boats entered in the series. A boat that is penalized under rule 30.2 or that takes a penalty under rule 44.3(a) shall be scored points as provided in rule 44.3(c).

A5.3 If the notice of race or sailing instructions state that rule A5.3 will apply, rule A5.2 is changed so that a boat that came to the starting area but did not *sail the course*, retired or was disqualified shall be scored points for the finishing place one more than the number of boats that came to the starting area, and a boat that did not come to the starting area shall be scored points for the finishing place one more than the number of boats entered in the series.

A6 CHANGES IN PLACES AND SCORES OF OTHER BOATS

A6.1 If a boat is disqualified from a race, or retires after *finishing*, or is scored Did not *sail the course*, each boat with a worse finishing place shall be moved up one place.

A6.2 If the protest committee decides to give redress by adjusting a boat's score, the scores of other boats shall not be changed unless the protest committee decides otherwise.

A7 RACE TIES

If boats are tied at the finishing line or if a handicap or rating system is used and boats have equal corrected times, the points for the place for which the boats have tied and for the place(s) immediately below shall be added together and divided equally. Boats tied for a race prize shall share it or be given equal prizes.

A8 SERIES TIES

A8.1 If there is a series-score tie between two or more boats, each boat's race scores shall be listed in order of best to worst, and at the first point(s) where there is a difference the tie shall be broken in favour of the boat(s) with the best score(s). No excluded scores shall be used.

A8.2 If a tie remains between two or more boats, they shall be ranked in order of their scores in the last race. Any remaining ties shall be broken by using the tied boats' scores in the next-to-last race and so on until all ties are broken. These scores shall be used even if some of them are excluded scores.

WINDSURFING FLEET RACING RULES

*Windsurfing fleet races (including marathon races) shall be sailed under The Racing Rules of Sailing as changed by this appendix. The term 'boat' elsewhere in the **rules** means 'board' or 'boat' as appropriate. A marathon race is a race intended to last more than one hour.*

A board is on *starboard tack* when the competitor's right hand would be nearer the mast and is on *port tack* when the competitor's left hand would be nearer the mast.

The definition *Zone* is deleted.

Add the following definitions:

Capsize A board is *capsized* when she is not under control because her sail or the competitor is in the water.

Rounding or Passing A board is *rounding or passing* a *mark* from the time her *proper course* is to begin to manoeuvre to round or pass it, until the *mark* has been rounded or passed.

A1 NUMBER OF RACES; OVERALL SCORES

Rule A1 is changed to:

The number of races scheduled and the number required to be scored to constitute a series shall be stated in the notice of race or sailing instructions; see rule 90.3(a). If an event includes more than one discipline or format, the notice of race or sailing instructions shall state how the overall scores are to be calculated.

A2 SERIES SCORES

Rule A2.1 is changed to:

Each board's series score shall, subject to rule 90.3(b), be the total of her race scores excluding her

- (b) two worst scores when 12 or more races have been scored (see rule 90.3(a)).

However, the notice of race or sailing instructions may make a different arrangement. If a board has two or more equal worst scores, the score(s) for the race(s) sailed earliest in the series shall be excluded. The board with the lowest series score wins and others shall be ranked accordingly.

A5 SCORES DETERMINED BY THE RACE COMMITTEE

These scores shall be used even if some of them are excluded scores.
- A8.3** If a tie still remains between two or more boards, they shall be ranked in order of their scores in the last race. Any remaining ties shall be broken by using the tied boards' scores in the next-to-last race and so on until all ties are broken. These scores shall be used even if some of them are excluded scores.

However, when penalties are cancelled under rule C7.2(d) after one or both boats have *finished* each shall be recorded as *finished* when she crossed the line. A boat has not *finished* if she continues to *sail the course*.

C2.2 The definition *Mark-Room* is changed to:

C2.5 Add new rule 7 to Part 1:

C2.6 Rule 13 is changed to:

13 WHILE TACKING OR GYBING

13.1 After a boat passes head to wind, she shall *keep clear* of other boats until she is on a close-hauled course.

13.2 After the foot of the mainsail of a boat sailing downwind crosses the centreline she shall *keep clear* of other boats until her mainsail has filled or she is no longer sailing downwind.

13.3 While rule 13.1 or 13.2 applies, rules 10, 11 and 12 do not. However, if two boats are subject to rule 13.1 or 13.2 at the same time, the one on the other's port side or the one astern shall *keep clear*.

 - (2) if boats are not *overlapped*, the boat that has not reached the *zone* shall thereafter give *mark-room*.
- (b) If the boat entitled to *mark-room* leaves the *zone*, the entitlement to *mark-room* ceases and rule 18.2(a) is applied again if required based on the relationship of the boats at the time rule 18.2(a) is re-applied.
- (c) If a boat obtained an inside *overlap* and, from the time the *overlap* began, the outside boat is unable to give *mark-room*, rule 18.2(a) does not apply between them.

- (b) When an inside *overlapped* right-of-way boat must change *tack* at a *mark* to sail her *proper course*, until she changes *tack* she shall sail no farther from the *mark* than needed to sail that course. Rule 18.3(b) does not apply at a gate *mark* or a finishing *mark* and a boat shall be exonerated for breaking this rule if the course of another boat was not affected before the boat changed *tack*.

In addition, while *racing*, a boat shall not touch a race committee vessel that is also a *mark*.

C6.6 Protest Committee Decisions

- (d) A penalized boat shall not be recorded as having *finished* until she takes her penalty and her hull is completely on the course side of the line and she then *finishes*, unless the penalty is cancelled before or after she crosses the finishing line.
- (e) If a boat has one or two outstanding penalties and the other boat in her match is penalized, one penalty for each boat shall be cancelled except that a red-flag penalty shall not cancel or be cancelled by another penalty.

- (b) When a boat taking a penalty either does not take the penalty correctly or does not complete the penalty as soon as reasonably possible, she is no longer taking a penalty. The umpires shall signal this as required by rule C5.6.
- (c) The umpire boat for each match shall display blue or yellow flags or shapes, each flag or shape indicating one outstanding penalty. When a boat has taken a penalty, or a penalty has been cancelled, one flag or shape shall be removed, with the appropriate sound signal. - C8.2** When the umpires decide that a boat has broken rule 31, 42, C4, C7.3(c) or C7.3(d) she shall be penalized by signalling her under rule C5.2 or C5.3. However, if a boat is penalized for breaking a rule of Part 2 and if she in the same incident breaks rule 31, she shall not be penalized for breaking rule 31. Furthermore, a boat that displays an incorrect flag or does not display the correct flag shall be warned orally and given an opportunity to correct the error before being penalized.

- C8.3** When the umpires decide that a boat has
- (a) gained an advantage by breaking a *rule* after allowing for a penalty,
 - (b) deliberately broken a *rule*, or
 - (c) committed a breach of sportsmanship,
- she shall be penalized under rule C5.2, C5.3 or C5.4.
- C8.4** If the umpires or protest committee members decide that a boat may have broken a *rule* other than those listed in rules C6.1(a) and C6.2, they shall so inform the protest committee for its action under rule 60.1 and rule C6.6 when appropriate.
- C8.5** When, after one boat has *started*, the umpires are satisfied that the other boat will not *start*, they may signal under rule C5.4, identifying the boat that has not *started*.
- C8.6** When one boat retires after both boats in a match have *started*, the umpires may signal under rule C5.4, identifying the retired boat.
- C8.7** When the match umpires, together with at least one other umpire, decide that a boat has broken rule 14 and damage resulted, they may impose a points-penalty without a hearing. The competitor shall be informed of the penalty as soon as practicable and, at the time of being so informed, may request a hearing. The protest committee shall then proceed under rule C6.6. Any penalty decided by the protest committee may be more than the penalty imposed by the umpires. When the umpires decide that a penalty greater than one point is appropriate, they shall act under rule C8.4.
- C9 REQUESTS FOR REDRESS OR REOPENING; APPEALS; OTHER PROCEEDINGS**
- C9.1** There shall be no request for redress or an appeal from a decision made under rule C5, C6, C7 or C8. Rule 63.7(b) is changed to: ‘A *party* to the hearing may not ask for a reopening.’

C9.2 A competitor may not base a request for redress on a claim that an action by an official boat was improper. The protest committee may decide to consider giving redress in such circumstances but only if it believes that an official boat, including an umpire boat, may have seriously interfered with a competing boat.

C9.3 No proceedings of any kind may be taken in relation to any action or non-action by the umpires, except as permitted in rule C9.2.

C10 SCORING

C10.1 The winning competitor of each match scores one point (half a point each for a dead heat); the loser scores no points.

C10.2 When a competitor withdraws from part of an event the scores of all completed races shall stand.

C10.3 When a single round robin is terminated before completion, or a multiple round robin is terminated during the first round robin, a competitor's score shall be the average points scored per match sailed by the competitor. However, if any of the competitors have completed less than one-third of the scheduled matches, the entire round robin shall be disregarded and, if necessary, the event declared void. For the purposes of tie-breaking in rule C11.1(a), a competitor's score shall be the average points scored per match between the tied competitors.

C10.4 When a multiple round robin is terminated with an incomplete round robin, only one point shall be available for all the matches sailed between any two competitors, as follows:

<i>Number of matches completed between any two competitors</i>	<i>Points for each win</i>
1	One point
2	Half a point
3	A third of a point
(etc.)

- (b) a competitor who has won a match but is disqualified for breaking a *rule* against a competitor in another match shall lose the point for that match (but the losing competitor shall not be awarded the point); and
- (c) the overall position between competitors who have sailed in different groups shall be decided by the highest score.

C10.6 In a knockout series the sailing instructions shall state the minimum number of points required to win a series between two competitors. When a knockout series is terminated it shall be decided in favour of the competitor with the higher score.

C10.7 When only one boat in a match fails to *sail the course*, she shall be scored no points (without a hearing).

C11 TIES

C11.1 Round-Robin Series

In a round-robin series competitors are assigned to one or more groups and scheduled to sail against all other competitors in their group one or more times. Each separate stage identified in the event format shall be a separate round-robin series irrespective of the number of times each competitor sails against each other competitor in that stage.

Ties between two or more competitors in a round-robin series shall be broken by the following methods, in order, until all ties are broken. When one or more ties are only partially broken, rules C11.1(a) to C11.1(e) shall be re-applied to them. Ties shall be decided in favour of the competitor(s) who

- (a) placed in order, has the highest score in the matches between the tied competitors;
- (b) when the tie is between two competitors in a multiple round robin, has won the last match between the two competitors;
- (c) has the most points against the competitor placed highest in the round-robin series or, if necessary, second highest, and so on until the tie is broken. When two separate ties have to be resolved but the resolution of each depends upon resolving the other, the following principles shall be used in the rule C11.1(c) procedure:
 - (1) the higher-place tie shall be resolved before the lower-place tie, and
 - (2) all the competitors in the lower-place tie shall be treated as a single competitor for the purposes of rule C11.1(c);
- (d) after applying rule C10.5(c), has the highest place in the different groups, irrespective of the number of competitors in each group;
- (e) has the highest place in the most recent stage of the event (fleet race, round robin, etc.).

C11.2 Knockout Series

Ties (including 0–0) between competitors in a knockout series shall be broken by the following methods, in order, until the tie is broken. The tie shall be decided in favour of the competitor who

- (a) has the highest place in the most recent round-robin series, applying rule C11.1 if necessary;
- (b) has won the most recent match in the event between the tied competitors.

C11.3 Remaining Ties

When rule C11.1 or C11.2 does not resolve a tie,

- (a) if the tie needs to be resolved for a later stage of the event (or another event for which the event is a direct qualifier), the tie shall be broken by a sail-off when practicable. When the race committee decides that a sail-off is not practicable, the tie shall be decided in favour of the competitor who has the highest score in the round-robin series after eliminating the score for the first race for each tied competitor or, should this fail to break the tie, the second race for each tied competitor and so on until the tie is broken. When a tie is partially resolved, the remaining tie shall be broken by reapplying rule C11.1 or C11.2.
- (b) to decide the winner of an event that is not a direct qualifier for another event, or the overall position between competitors eliminated in one round of a knockout series, a sail-off may be used (but not a draw).
- (c) when a tie is not broken any monetary prizes or ranking points for tied places shall be added together and divided equally among the tied competitors.

D4.2 Event Format

- (a) The notice of race or sailing instructions shall state the format and stages of the event, and any special scoring rules.
- (b) In order to conclude an event, the race committee may change or terminate any part of the format at any reasonable time taking into account the entries, weather, time constraints and other relevant factors.

D4.3 Scoring a Round-Robin Stage

- (a) Teams in a round-robin group shall be ranked in order of number of race wins, highest first. If the teams have not completed an equal number of races, they shall be ranked in order of the percentage of races won, highest first.
- (b) However, if a round-robin is terminated when fewer than 80% of its scheduled races have been completed, its race results shall not be included, but shall be used to break ties between teams in the group who all sailed each other in the terminated round-robin.
- (c) Results from a previous round-robin stage shall only be carried forward if stated in the notice of race or sailing instructions.

D4.4 Round-Robin Tie Breaks

Ties in a round-robin stage shall be broken using results from that stage only.

- (a) If the tied teams have all sailed each other at least once in the stage, the tie shall be broken in the order below.

 - (2) Average points per race in all races between the tied teams, lowest first;
 - (3) If two teams remain tied, the winner of the last race between them;

- (4) Average points per race in all races against common opponents, lowest first;
- (5) A sail-off if possible, otherwise a game of chance.
- (b) Otherwise, the tie shall be broken using only steps (4) and (5) above.
- (c) When a tie is partially broken by one of the above, the remaining tie shall be broken in accordance with D4.4(a) or (b) as appropriate.

D4.5 Scoring a Knockout Stage

- (a) A round shall not be scored unless at least one race has been completed in each match in that round. The final and petit-final are separate rounds.
- (b) The winner of a match shall be the first team to score the number of race wins stated in the notice of race or sailing instructions. If a match is terminated, the winner shall be the team with the higher number of race wins in that match or, if this is a tie, the team that won the last race of the match.
- (c)
 - (1) Teams that win in a round shall be ranked ahead of those that lose.
 - (2) Teams that lose in a round and do not sail again shall be equally ranked.
 - (3) In a round that is not scored, teams shall be ranked in order of their places in the previous stage of the event, with teams from different groups ranked separately.

D5 BREAKDOWNS WHEN BOATS ARE SUPPLIED BY THE ORGANIZING AUTHORITY

- D5.1** Rule D5 applies when boats are supplied by the organizing authority.
- D5.2** When a boat suffers a breakdown in the racing area, she may request a score change by displaying a red flag at the first reasonable opportunity after the breakdown until it is acknowledged by the race committee or by an umpire. If possible, she shall continue *racing*.
- D5.3** The race committee shall decide requests for a score change in accordance with rules D5.4 and D5.5. It may take evidence in any way it considers appropriate and may communicate its decision orally.
- D5.4** When the race committee decides that the team's score was made significantly worse, that the breakdown was through no fault of the crew, and that in the same circumstances a reasonably competent crew would not have been able to avoid the breakdown, it shall make as equitable a decision as possible. This may be to *abandon* and resail the race or, when the boat's finishing place was predictable, award her points for that place. Any doubt about a boat's position when she broke down shall be resolved against her.
- D5.5** A breakdown caused by defective supplied equipment or a breach of a *rule* by an opponent shall not normally be determined to be the fault of the crew, but one caused by careless handling, capsizing or a breach by a boat on the same team shall be. If there is doubt, it shall be presumed that the crew are not at fault.

Note: Development Rules for Umpired Radio Sailing is available on the World Sailing website.

E1 CHANGES TO THE DEFINITIONS, TERMINOLOGY AND THE RULES OF PARTS 1, 2 AND 7

E1.1 Definitions

Add to the definition *Conflict of Interest*:

However, an observer does not have a *conflict of interest* solely by being a competitor.

In the definition *Zone* the distance is changed to four hull lengths.

Add new definition:

Disabled A boat is *disabled* while she is unable to continue in the heat.

E1.2 Terminology

The Terminology paragraph of the Introduction is changed so that:

- (a) ‘Boat’ means a sailboat that is subject to the *rules*, controlled by radio signals and has no crew. However, in the rules of Part 1 and Part 5, rule E6 and the definitions *Party* and *Protest*, ‘boat’ includes the competitor controlling her.
- (b) ‘Competitor’ means the person designated to control a boat using radio signals.
- (c) In the racing rules, but not in its appendices, replace the noun ‘race’ with ‘heat’. In Appendix E a race consists of one or more heats and is completed when the last heat in the race is completed.

The penalty shall be applied, if possible, to the heat or race in which the *rule* was broken; otherwise it shall be applied to the next heat or race for that boat. APPENDIX F

KITEBOARDING RACING RULES

Kiteboarding course races shall be sailed under The Racing Rules of Sailing as changed by this appendix. The term 'boat' elsewhere in the rules means 'kiteboard' or 'boat' as appropriate.

Note: Links to kiteboard rules for some other formats or competitions can be found on the World Sailing website.

CHANGES TO THE DEFINITIONS

The definitions *Clear Astern* and *Clear Ahead*; *Overlap*, *Continuing Obstruction*, *Finish*, *Keep Clear*, *Leeward* and *Windward*, *Mark-Room*, *Obstruction*, *Start*, *Tack*, *Starboard* or *Port* and *Zone* are changed to:

Clear Astern and Clear Ahead; Overlap One kiteboard is *clear astern* of another when her hull is behind a line abeam from the aftermost point of the other kiteboard's hull. The other kiteboard is *clear ahead*. They *overlap* when neither is *clear astern*. However, they also *overlap* when a kiteboard between them *overlaps* both. If there is reasonable doubt that two kiteboards are *overlapped*, it shall be presumed that they are not. These terms always apply to kiteboards on the same *tack*. They apply to kiteboards on opposite *tacks* only when both kiteboards are sailing more than ninety degrees from the true wind.

Continuing Obstruction An *obstruction* is a *continuing obstruction* when a kiteboard will pass alongside it for at least 30 metres. However, the following are not a *continuing obstruction*: a vessel under way, a kiteboard *racing*, or a race committee vessel that is also a *mark*.

Finish A kiteboard *finishes* when, after her starting signal, while the competitor is in contact with the hull, any part of her hull, or the competitor, crosses the finishing line from the course side. However, she has not *finished* if after crossing the finishing line she

- (a) takes a penalty under rule 44.2,
- (b) corrects an error in *sailing the course* made at the line, or
- (c) continues to *sail the course*.

After *finishing* she need not cross the finishing line completely. The sailing instructions may change the direction in which kiteboards are required to cross the finishing line to *finish*.

Keep Clear A kiteboard *keeps clear* of a right-of-way kiteboard

- (a) if the right-of-way kiteboard can sail her course with no need to take avoiding action and,
- (b) if the right-of-way kiteboard can also change course in both directions or move her kite in any direction without immediately making contact.

Leeward and Windward A kiteboard's *leeward* side is the side that is or, when she is head to wind, was away from the wind. However, when sailing by the lee or directly downwind, her *leeward* side is the side on which her kite lies. The other side is her *windward* side. When two kiteboards on the same *tack overlap*, the one whose hull is on the *leeward* side of the other's hull is the *leeward* kiteboard. The other is the *windward* kiteboard.

Mark-Room *Room* for a kiteboard to sail no farther from the *mark* than needed to sail her *proper course* to round or pass the *mark* on the required side, and *room* to pass a finishing *mark* after *finishing*.

Obstruction An *obstruction* is

- (a) an object that a kiteboard could not pass without substantially changing her course or the position of her kite, if she were sailing directly towards it and 10 metres from it;
- (b) an object that can be safely passed on only one side; or
- (c) an object, area or line that is so designated in a *rule*.

However, a kiteboard *racing* is not an *obstruction* to other kiteboards unless they are required to *keep clear* of her or, if rule 22 applies, avoid her.

Start A kiteboard *starts* when, her hull and the competitor having been entirely on the pre-start side of the starting line at or after her starting signal, any part of her hull or the competitor crosses the starting line from the pre-start side to the course side.

Tack, Starboard or Port A kiteboard is on the *tack*, *starboard* or *port*, corresponding to the competitor's hand that would be forward if the competitor were in normal riding position (riding heel side with both hands on the control bar and arms not crossed). A kiteboard is on *starboard tack* when the competitor's right hand would be forward and is on the *port tack* when the competitor's left hand would be forward.

Zone The area around a *mark* within a distance of 30 metres. A kiteboard is in the *zone* when any part of her hull is in the *zone*.

Add the following definitions:

Capsized A kiteboard is *capsized* if

- (a) her kite is in the water, or
- (b) her lines are tangled with another kiteboard's lines.

Jumping A kiteboard is *jumping* when her hull, its appendages and the competitor are clear of the water.

Recovering A kiteboard is *recovering* from the time she loses steerage way until she regains it, unless she is *capsized*.

In the second sentence of the preamble, ‘injury or serious damage’ is changed to ‘injury, serious damage or a tangle’.

13 WHILE TACKING

Rule 13 is deleted.

16 CHANGING COURSE OR KITE POSITION

Rule 16 is changed to:

16.1 When a right-of-way kiteboard changes course or the position of her kite, she shall give the other kiteboard *room* to continue *keeping clear*.

16.2 In addition, on a beat to windward when a *port-tack* kiteboard is *keeping clear* by sailing to pass to leeward of a *starboard-tack* kiteboard, the *starboard-tack* kiteboard shall not bear away or change the position of her kite if as a result the *port-tack* kiteboard must change course or the position of her kite immediately to continue *keeping clear*.

17 ON THE SAME TACK; PROPER COURSE

Rule 17 is deleted.

18 MARK-ROOM

Rule 18 is changed to:

18.1 When Rule 18 Applies

Rule 18 applies between kiteboards when they are required to leave a *mark* on the same side and at least one of them is in the *zone*. However, it does not apply

- (a) between kiteboards that are on opposite *tacks* when the first kiteboard reaches the *zone*; or
- (b) between a kiteboard approaching a *mark* and one leaving it.

Rule 18 no longer applies between kiteboards when *mark-room* has been given.

18.2 Giving Mark-Room

- (a) When the first of two kiteboards reaches the *zone*,
 - (1) if the kiteboards are *overlapped*, the outside kiteboard at that moment shall give the inside kiteboard *mark-room*.
 - (2) if the kiteboards are not *overlapped*, the kiteboard that has not reached the *zone* shall give *mark-room*.

When a kiteboard is required to give *mark-room* by this rule, she shall continue to do so for as long as this rule applies, even if later an *overlap* is broken or a new *overlap* begins.

- (b) Rule 18.2(a) no longer applies if either kiteboard referred to in this rule changes *tack*.
- (c) If the kiteboard entitled to *mark-room* leaves the *zone*, the entitlement to *mark-room* ceases and rule 18.2(a) is applied again if required based on the relationship of the kiteboards at the time rule 18.2(a) is re-applied.

18.3 Changing Tack in the Zone

When an inside *overlapped* right-of-way kiteboard must change *tack* at a *mark* to sail her *proper course*, until she changes *tack* she shall sail no farther from the *mark* than needed to sail that course if by so doing she affects the course of another kiteboard. Rule 18.3 does not apply at a gate *mark* or a finishing *mark*.

19 ROOM TO PASS AN OBSTRUCTION

Rule 19.2(a) is changed to:

- (a) A right-of-way kiteboard may choose to pass an *obstruction* on her port or starboard side. If a right-of-way kiteboard changes course or the position of her kite when choosing on which side to pass the *obstruction*, she shall give the other kiteboard *room to keep clear*.

20 ROOM TO TACK AT AN OBSTRUCTION

Rule 20.1(a) is changed to:

- (a) she is approaching an *obstruction*, and, to avoid it safely, will soon need to make a substantial change of her course or the position of her kite, and

Rule 20.4 is changed to:

20.4 Additional Requirements for Hails

The following arm signals are required in addition to the hails

- (a) for ‘Room to tack’, repeatedly and clearly circling one hand over the head; and
- (b) for ‘You tack’, repeatedly and clearly pointing at the other kiteboard and waving the arm to windward.

SECTION D — PREAMBLE

The preamble to Section D is changed to:

When rule 21 or 22 applies between two kiteboards, Section A and C rules do not.

Rule 21.3 is changed and new rule 21.4 is added:

21.3 During the last minute before her starting signal, a kiteboard that stops, slows down significantly, or one that is not making significant forward progress shall *keep clear* of all others unless she is accidentally *capsized*.

21.4 A kiteboard that is *jumping* shall *keep clear* of one that is not.

22 CAPSIZED; RECOVERING; AGROUND; RESCUING

Rule 22 is changed to:

22.1 If possible, a kiteboard shall avoid a kiteboard that is *capsized*, is aground, or is trying to help a person or vessel in danger.

A kiteboard may take a One-Turn Penalty when she may have broken one or more rules of Part 2 or rule 31 in an incident while *racing*. Alternatively, the notice of race or sailing instructions may specify the use of the Scoring Penalty or some other penalty, in which case the specified penalty shall replace the One-Turn Penalty. However,

- (a) when a kiteboard may have broken a rule of Part 2 and rule 31 in the same incident she need not take the penalty for breaking rule 31; and
- (b) if the kiteboard caused injury, serious damage or a tangle or, despite taking a penalty, gained a significant advantage or caused significant disadvantage to the other kiteboard in the race or series by her breach, her penalty shall be to retire.

44.2 One-Turn Penalty

After getting well clear of other kiteboards as soon after the incident as possible, a kiteboard takes a One-Turn Penalty by promptly making a 360° turn with her hull appendage in the water with no requirement for a tack or a gybe.  - (2) However, the kiteboard shall not *race* again until any such deviations have been corrected unless the protest committee decides there is, or has been, no reasonable opportunity to do so.

Add new rule 60.5(e):

- (3) The national letters and sail number shall be displayed on the front side of a spinnaker but may be placed on both sides. They shall be displayed wholly below an arc whose centre is the head point and whose radius is 40% of the foot median and, if possible, wholly above an arc whose radius is 60% of the foot median.

G2 OTHER BOATS

Other boats shall comply with the rules of their national authority or class association in regard to the allotment, carrying and size of insignia, letters and numbers. Such rules shall, when practicable, conform to the above requirements.

Yachting New Zealand prescribes that other boats shall comply with Appendix G1 and if there is any conflict between Appendix G and the boats' class rules, then Appendix G shall prevail, except that:

- 1. Appendix G1.1(b) shall not apply, but boats may be required to display national letters by their class rules.*
- 2. If on 31 October 2019 a sail was certified as complying with the boat's class rules, the insignia and sail number on the sail may remain as they were on that date.*

G3 CHARTERED OR LOANED BOATS

When so stated in the notice of race or sailing instructions, a boat chartered or loaned for an event may carry national letters or a sail number in contravention of her class rules.

G4 WARNINGS AND PENALTIES

When a protest committee finds that a boat has broken a rule of this appendix, it shall either warn her and give her time to comply or penalize her.

APPENDIX H

WEIGHING CLOTHING AND EQUIPMENT

See rule 50. This appendix shall not be changed by the notice of race, sailing instructions or prescriptions of national authorities.

- H1** Items of clothing and equipment to be weighed shall be arranged on a rack. After being saturated in fresh water the items shall be allowed to drain freely for one minute before being weighed. The rack must allow the items to hang as they would hang from clothes hangers, so as to allow the water to drain freely. Pockets that have drain-holes that cannot be closed shall be empty, but pockets or items that can hold water shall be full.
- H2** When the weight recorded exceeds the amount permitted, the competitor may rearrange the items on the rack and the member of the technical committee in charge shall again soak and weigh them. This procedure may be repeated a second time if the weight still exceeds the amount permitted.
- H3** A competitor wearing a dry suit may choose an alternative means of weighing the items.
- (a) The dry suit and items of clothing and equipment that are worn outside the dry suit shall be weighed as described above.
 - (b) Clothing worn underneath the dry suit shall be weighed as worn while *racing*, without draining.
 - (c) The two weights shall be added together.

APPENDIX M

RECOMMENDATIONS FOR PROTEST COMMITTEES

This appendix is advisory only; in some circumstances changing these procedures may be advisable. It is addressed primarily to the protest committee chair but may also help judges, protest committee secretaries, race committees and others involved in hearings.

In a hearing, the protest committee should weigh all testimony with equal care; should recognize that honest testimony can vary, and even be in conflict, as a result of different observations and recollections; should resolve such differences as best it can; should recognize that no boat or competitor is guilty until a breach of a *rule* has been established to the satisfaction of the protest committee; and should keep an open mind until all the evidence has been heard as to whether a boat or competitor has broken a *rule*.

M1 PRELIMINARIES (may be performed by race office staff)

- (a) Receive the hearing request.
- (b) Note the time the hearing request is delivered and the protest time limit.
- (c) Inform each *party*, including any *committee* involved, when and where the hearing will be held (rule 63.1(a)(1)).

M2 BEFORE THE HEARING

M2.1 Make sure that

- (a) each *party* has the opportunity to read the *protest*, request for redress or allegation and has had reasonable time to prepare for the hearing (rules 63.1(a)(2) and 63.1(a)(3)).
- (b) only one person from each *party* is present unless an interpreter is needed (rule 63.1(a)(4)).

Quality Safety Equipment, Professional Advice and Servicing

Shop online: www.safetyatsea.co.nz - Email: sales@safetyatsea.co.nz - Ph: 09 309 9111

- (c) all boats and people involved are represented. If they are not, however, the committee may proceed under rule 63.1(b).
- (d) boats' representatives were on board when required (rule 63.1(a)(4)).
- (e) when the *parties* were in different events, both organizing authorities accept the composition of the protest committee (rule 63.2(e)).
- (f) in a *protest* concerning class rules, obtain the current class rules and identify the authority responsible for interpreting them (rule 63.5(d)).

M2.2 Determine if any members of the protest committee saw the incident. If so, require each of them to state that fact as soon as possible at the hearing (rule 63.4(d)).

M2.3 Assess *conflicts of interest*.

- (a) Ensure that all protest committee members declare any possible *conflicts of interest*. At major events this will often be a formal written declaration made before the event starts that will be kept with the protest committee records.
- (b) At the start of any hearing, ensure that the *parties* are aware of any *conflicts of interest* of protest committee members. Ask the *parties* if they consent to the members. If a *party* does not object as soon as possible after a *conflict of interest* has been declared, the protest committee may take this as consent to proceed and should record it.
- (c) If a *party* objects to a member, the remainder of the protest committee members need to assess whether the *conflict of interest* is significant. The assessment will consider the level of the event, the level of the conflict and the perception of fairness. It may be acceptable to balance conflicts between protest committee members. Guidance may be found on the World Sailing website. Record the decision and the grounds for that decision.

- (d) In cases of doubt it may be preferable to proceed with a smaller protest committee. Except for hearings under rule 69, there is no minimum number of protest committee members required.
- (e) When a request for redress is made under rule 61.4(b)(1) and is based on an improper action or improper omission of a body other than the protest committee, a member of that body should not be a member of the protest committee.

M3 THE HEARING

M3.1 Check that the *protest* or request is valid.

- (a) Are the contents adequate (rule 60.3(a), 61.2(a) or 63.7(b))?
- (b) Was it delivered in time? If not, is there good reason to extend the time limit (rule 60.3(b), 61.2(b) or 63.7(b))?
- (c) When required, was the protestor involved in or a witness to the incident (rule 60.4(a)(2))?
- (d) When necessary, was 'Protest' hailed and, if required, a red flag displayed correctly (rule 60.2(a)(1))?
- (e) When the flag or hail was not necessary, was the protestee informed (rule 60.2(b))?
- (f) Decide whether the *protest* or request for redress is valid (rule 63.4(a)).
- (g) Once the validity of the *protest* or request has been determined, do not let the subject be introduced again unless truly new evidence is available.

M3.2 Take the evidence (rule 63.4).

- (a) Ask the *parties* to tell their stories. Then allow them to question one another. In a redress matter, ask the *party* to state the request.
- (b) Make sure you know what facts each *party* is alleging before calling any witnesses. Their stories may be different.

Quality Safety Equipment, Professional Advice and Servicing

Shop online: www.safetyatsea.co.nz - Email: sales@safetyatsea.co.nz - Ph: 09 309 9111

- (c) Allow anyone, including a boat's crew, to give evidence. It is the *party* who normally decides which witnesses to call, although the protest committee may also call witnesses (rule 63.4(b)). The question asked by a *party* 'Would you like to hear N?' is best answered by 'It is your choice.'
- (d) Call each *party's* witnesses (and the protest committee's if any) one by one. Limit *parties* to questioning the witness(es). (They may wander into general statements.)
- (e) Invite the protestee to question the protestor's witness first (and vice versa). This prevents the protestor from leading the witness from the beginning.
- (f) Allow members of the protest committee who saw the incident to give evidence (rule 63.4(d)). Members who give evidence may be questioned, should take care to relate all they know about the incident that could affect the decision, and may remain on the protest committee (rule 63.4(e)).
- (g) Try to prevent leading questions, but if that is impossible discount the evidence so obtained.
- (h) The protest committee chair should advise a *party* or a witness giving hearsay, repetitive or irrelevant evidence that the protest committee must give such evidence appropriate weight, which may be little or no weight at all (rules 63.4(b) and 63.5(a)).
- (i) Ask one member of the committee to note down evidence, particularly times, distances, speeds, etc.
- (j) Invite questions from protest committee members.
- (k) Invite each *party*, starting with the *party* that requested the hearing, to make a final statement of her case, particularly on any application or interpretation of the *rules*.

M3.3 Find the facts (rule 63.5(a)).

- (a) Write down the facts; resolve doubts one way or the other.
- (b) Call back *parties* for more questions if necessary.
- (c) When appropriate, draw a diagram of the incident using the facts you have found.

M3.4 Decide the case (rule 63.5).

- (a) Base the decision on the facts found. (If you cannot, find some more facts.)
- (b) In redress cases, make sure that no further evidence is needed from boats that will be affected by the decision.

M3.5 Inform the *parties* (rule 63.6).

- (a) Recall the *parties* and read them the facts found, conclusions and *rules* that apply, and the decision. When time presses it is permissible to read the decision and give the details later.
- (b) Give any *party* a copy of the decision on request. File the *protest* or request for redress with the committee records.

M4 REOPENING A HEARING (rule 63.7)

M4.1 When a *party*, within the time limit, has asked for a hearing to be reopened, hear the *party* making the request, look at any video, etc., and decide whether there is any significant new evidence that might lead you to change your decision. Decide whether your interpretation of the *rules* may have been wrong; be open-minded as to whether you have made a mistake. If none of these applies refuse to reopen; otherwise schedule a hearing.

M4.2 Evidence is ‘new’

- (a) if it was not reasonably possible for the *party* asking for the reopening to have discovered the evidence before the original hearing,

Quality Safety Equipment, Professional Advice and Servicing

Shop online: www.safetyatsea.co.nz - Email: sales@safetyatsea.co.nz - Ph: 09 309 9111

- (b) if the protest committee is satisfied that before the original hearing the evidence was diligently but unsuccessfully sought by the *party* asking for the reopening, or
- (c) if the protest committee learns from any source that the evidence was not available to the *parties* at the time of the original hearing.

M5 DISCRETIONARY PENALTIES (rule 64)

Rule 64 enables a boat that has broken a rule subject to a discretionary penalty to comply with Sportsmanship and the Rules by reporting within the protest time limit that she has broken the rule. If the report does not include sufficient facts for the protest committee to decide what penalty to impose, the committee may question a representative of the boat and any witnesses to collect evidence it decides is appropriate. It is not necessary to conduct a hearing to collect this evidence. Note that guidelines for discretionary penalties may be found on the World Sailing website.

M6 MISCONDUCT (rule 69)

- M6.1** An action under this rule is not a *protest*, but the protest committee gives its allegations in writing to the competitor before the hearing. The hearing is conducted under rule 63, but the protest committee must have at least three members (rule 69.2(a)). Use the greatest care to protect the competitor's rights.
- M6.2** A competitor or a boat cannot protest under rule 69, but the hearing request form of a competitor who tries to do so may be accepted as a report to the protest committee, which can then decide whether or not to call a hearing.

- M6.3** Unless World Sailing has appointed a person for the role, the protest committee may appoint a person to present the allegation. This person might be a race official, the person making the allegation or other appropriate person. When no reasonable alternative person is available, a person who was appointed as a member of the protest committee may present the allegation.
- M6.4** When it is desirable to call a hearing under rule 69 as a result of a Part 2 incident, it is important to hear any boat-vs.-boat *protest* in the normal way, deciding which boat, if any, broke which *rule*, before proceeding against the competitor under rule 69.
- M6.5** Although action under rule 69 is taken against a competitor, boat owner or *support person*, and not a boat, a boat may also be penalized (rules 69.2(h)(2) and 62.4).
- M6.6** When a protest committee upholds a rule 69 allegation it will need to consider if it is appropriate to report to either a national authority or World Sailing. Guidance on when to report may be found in the World Sailing Case Book. When the protest committee does make a report, it may recommend whether or not further action should be taken.
- M6.7** Unless the right of appeal is denied in accordance with rule 70.3, a *party* to a rule 69 hearing may appeal the decision of the protest committee.
- M6.8** Further guidance for protest committees about misconduct may be found on the World Sailing website.

M7 APPEALS (rule 70 and Appendix R)

When decisions can be appealed,

- (a) retain the papers relevant to the hearing so that the information can easily be used for an appeal. Is there a diagram endorsed or prepared by the protest committee? Are the facts found sufficient? (Example: Was there an *overlap*? Yes or No. ‘Perhaps’ is not a fact found.) Are the names of the protest committee members and other important info on the form?

Quality Safety Equipment, Professional Advice and Servicing

Shop online: www.safetyatsea.co.nz - Email: sales@safetyatsea.co.nz - Ph: 09 309 9111

- (b) comments by the protest committee on any appeal should enable the appeals committee to picture the whole incident clearly; the appeals committee knows nothing about the situation.

M8 PHOTOGRAPHIC EVIDENCE

Photographs and videos can sometimes provide useful evidence but protest committees should recognize their limitations and note the following points:

- (a) The *party* producing the photographic evidence is responsible for arranging the viewing.
- (b) View the video several times to extract all the information from it.
- (c) The depth perception of any single-lens camera is very poor; with a telephoto lens it is non-existent. When the camera views two *overlapped* boats at right angles to their course, it is impossible to assess the distance between them. When the camera views them head on, it is impossible to see whether an *overlap* exists unless it is substantial.
- (d) Ask the following questions:
 - (1) Where was the camera in relation to the boats?
 - (2) Was the camera's platform moving? If so in what direction and how fast?
 - (3) Is the angle changing as the boats approach the critical point? Fast panning causes radical change.
 - (4) Did the camera have an unrestricted view throughout?

APPENDIX N

INTERNATIONAL JURIES

See rules 70.3(a) and 91(b). This appendix shall not be changed by the notice of race, sailing instructions or national prescriptions.

N1 COMPOSITION, APPOINTMENT AND ORGANIZATION

- N1.1** An international jury shall be composed of experienced sailors with excellent knowledge of the racing rules and extensive protest committee experience. It shall be independent of and have no members from the race committee or the technical committee, and it shall be appointed by the organizing authority, subject to approval by the national authority if required (see rule 91(b)), or by World Sailing under rule 89.2(c).
- N1.2** The jury shall consist of a chair, a vice chair if desired, and other members for a total of at least five. A majority shall be International Judges.
- N1.3** No more than two members (three, in Groups M, N and Q) shall be from the same national authority.
- N1.4** (a) The chair of a jury may appoint one or more panels composed in compliance with rules N1.1, N1.2 and N1.3. This can be done even if the full jury is not composed in compliance with these rules.
- (b) The chair of a jury may appoint panels of at least three members each, of which the majority shall be International Judges. Members of each panel shall be from at least three different national authorities except in Groups M, N and Q, where they shall be from at least two different national authorities. If dissatisfied with a panel's decision, a *party* is entitled to a hearing by a panel composed in compliance with rules N1.1, N1.2 and N1.3, except concerning the facts found, if requested within 30 minutes, or the time limit specified in the sailing instructions, after being informed of the decision.

- N1.5** When a full jury, or a panel, has fewer than five members, because of illness or emergency, and no qualified replacements are available, it remains properly constituted if it consists of at least three members and if at least two of them are International Judges. When there are three or four members they shall be from at least three different national authorities except in Groups M, N and Q, where they shall be from at least two different national authorities.
- N1.6** When it is considered desirable that some members not participate in discussing and deciding a *protest* or request for redress, and no qualified replacements are available, the jury or panel remains properly constituted if at least three members remain and at least two of them are International Judges.
- N1.7** In exception to rules N1.1 and N1.2, World Sailing may in limited circumstances authorize an international jury consisting of a total of only three members. All members shall be International Judges. The members shall be from three different national authorities (two, in Groups M, N and Q). The authorization shall be stated in a letter of approval to the organizing authority and in the notice of race or sailing instructions, and the letter shall be posted on the official notice board.
- N1.8** When the national authority's approval is required for the appointment of an international jury (see rule 91(b)), notice of its approval shall be included in the sailing instructions or be posted on the official notice board.
- N1.9** If the jury or a panel acts while not properly constituted, its decisions may be appealed.

N2 RESPONSIBILITIES

- N2.1** An international jury is responsible for hearing and deciding all *protests*, requests for redress and other matters arising under the rules of Part 5. When asked by the organizing authority, the race committee or the technical committee, it shall advise and assist them on any matter directly affecting the fairness of the competition.

- N2.2** Unless the organizing authority directs otherwise, the jury shall decide
- (a) questions of eligibility, measurement or rating certificates; and
 - (b) whether to authorize the substitution of competitors, boats or equipment when a *rule* requires such a decision.

- N2.3** The jury shall also decide matters referred to it by the organizing authority, the race committee or the technical committee.

N3 PROCEDURES

- N3.1** Members shall not be regarded as having a significant *conflict of interest* (see rule 63.3) by reason of their nationality, club membership or similar. When otherwise considering a significant *conflict of interest* as required by rule 63.3, considerable weight must be given to the fact that decisions of an international jury cannot be appealed and this may affect the perception of fairness and lower the level of conflict that is significant. In case of doubt, the hearing should proceed as permitted by rule N1.6.

- N3.2** If a panel fails to agree on a decision it may adjourn, in which case the chair shall refer the matter to a properly constituted panel with as many members as possible, which may be the full jury.

N4 MISCONDUCT (Rule 69)

- N4.1** The World Sailing Code of Ethics contains procedures that apply to specific international events with regard to the appointment of a person to conduct any investigation. These procedures override any conflicting provision of this appendix.

- N4.2** A person shall be responsible for presenting to the hearing panel any allegations of misconduct under rule 69. This person shall not be a member of the hearing panel but may be a member of the jury. Such a person shall be required to make full disclosure of all material gathered in the course of the investigation to the person subject to allegations of a breach of rule 69.

- N4.3** Prior to a hearing, the hearing panel, to the extent practically possible, shall not act as an investigator of any allegations made under rule 69. However, during the hearing the panel shall be entitled to ask any investigative questions it may see fit.
- N4.4** If the panel decides to call a hearing, all material disclosed to the panel in order for them to make that decision must be disclosed to the person subject to the allegations before the hearing begins.

All or part of this appendix applies only if the notice of race or sailing instructions so state.

P1 OBSERVERS AND PROCEDURE

P1.1 The protest committee may appoint observers, including protest committee members, to act in accordance with rule P1.2. A person with a significant *conflict of interest* shall not be appointed as an observer.

P1.2 If an observer appointed under rule P1.1 decides that a boat has broken rule 42, the boat may be penalized by, as soon as reasonably possible making a sound signal, pointing a yellow flag at her, and clearly identifying her by hailing, even if she is no longer *racing*. A boat so penalized shall not be penalized a second time under rule 42 for the same incident.

P2 PENALTIES

P2.1 First Penalty

When a boat is first penalized under rule P1.2 her penalty shall be a Two-Turns Penalty under rule 44.2. If she fails to take it she shall be disqualified without a hearing.

P2.2 Second Penalty

When a boat is penalized a second time during the event, she shall promptly retire. If she fails to do so she shall be disqualified without a hearing and her score shall not be excluded.

P2.3 Third and Subsequent Penalties

When a boat is penalized a third or subsequent time during the event, she shall promptly retire. If she does so her penalty shall be disqualification without a hearing and her score shall not be excluded. If she fails to do so her penalty shall be disqualification without a hearing from all races in the event, with no score excluded, and the protest committee shall consider calling a hearing under rule 69.2.

P2.4 Penalties near the Finishing Line

If a boat is penalized under rule P2.2 or P2.3 and it was not reasonably possible for her to retire before *finishing*, she shall be scored as if she had retired promptly.

P3 POSTPONEMENT, GENERAL RECALL OR ABANDONMENT

If a boat has been penalized under rule P1.2 and the race committee signals a *postponement*, general recall or *abandonment*, the penalty is cancelled, but it is still counted to determine the number of times she has been penalized during the event.

P4 REDRESS LIMITATION

A boat shall not be given redress for an action by a member of the protest committee or its designated observer under rule P1.2 unless the action was improper due to a failure to take into account a race committee signal or a class rule.

P5 FLAGS O AND R

Rule P5 applies if the class rules permit pumping, rocking and ooching when the wind speed exceeds a specified limit.

P5.2 Before the Starting Signal

- (a) The race committee may signal that pumping, rocking and ooching are permitted, as specified in the class rules, by displaying flag O before or with the warning signal.
- (b) If the wind speed becomes less than the specified limit after flag O has been displayed, the race committee may *postpone* the race. Then, before or with a new warning signal, the committee shall display either flag R, to signal that rule 42 as changed by the class rules applies, or flag O, as provided in rule P5.2(a).
- (c) If flag O or flag R is displayed before or with the warning signal, it shall be displayed until the starting signal.

P5.3 After the Starting Signal

After the starting signal,

- (a) if the wind speed exceeds the specified limit, the race committee may display flag O with repetitive sounds at a *mark* to signal that pumping, rocking and ooching are permitted, as specified in the class rules, after passing the *mark*;
- (b) if flag O has been displayed and the wind speed becomes less than the specified limit, the race committee may display flag R with repetitive sounds at a *mark* to signal that rule 42, as changed by the class rules, applies after passing the *mark*.

APPENDIX T

ARBITRATION

All or part of this appendix applies only if the notice of race or sailing instructions so state.

Arbitration adds an extra step to the protest resolution process but can eliminate the need for some protest hearings, thus speeding up the process for events in which many protests are expected. Further guidance on arbitration can be found in the World Sailing Judges Manual, which is available on the World Sailing website.

T1 POST-RACE PENALTIES

- (a) Provided that rule 44.1(b) does not apply, a boat that may have broken one or more rules of Part 2 or rule 31 in an incident may take a Post-Race Penalty at any time after the race until the beginning of a protest hearing involving the incident.
- (b) A Post-Race Penalty is a 30% Scoring Penalty calculated as stated in rule 44.3(c). However, rule 44.1(a) applies.
- (c) A boat takes a Post-Race Penalty by delivering to the arbitrator or a member of the protest committee a written statement that she accepts the penalty and that identifies the race number and where and when the incident occurred.

T2 ARBITRATION MEETING

An arbitration meeting will be held prior to a protest hearing for each incident resulting in a *protest* by a boat involving one or more rules of Part 2 or rule 31, but only if each *party* is represented by a person who was on board at the time of the incident. No witnesses will be permitted. However, if the arbitrator decides that rule 44.1(b) may apply or that arbitration is not appropriate, the meeting will not be held, and if a meeting is in progress, it will be closed.

Shop online: www.safetyatsea.co.nz - Email: sales@safetyatsea.co.nz - Ph: 09 309 9111

T3 ARBITRATOR'S OPINION

Based on the evidence given by the representatives, the arbitrator will offer an opinion as to what the protest committee is likely to decide:

- (a) the *protest* is invalid,
- (b) no boat will be penalized for breaking a *rule*, or
- (c) one or more boats will be penalized for breaking a *rule*, identifying the boats and the penalties.

T4 ARBITRATION MEETING OUTCOMES

After the arbitrator offers an opinion,

- (a) a boat may take a Post-Race Penalty, and
- (b) a boat may ask to withdraw her *protest*. The arbitrator may then act on behalf of the protest committee in accordance with rule 63.2(a) to allow the withdrawal.

Unless all *protests* involving the incident are withdrawn, a protest hearing will be held.

YACHTING NEW ZEALAND SAFETY REGULATIONS PART I

These regulations are effective from January 1, 2025.

Preamble

Part I applies to all racing centreboard yachts, open yachts and sailboards. Part I also applies to ballasted yachts not complying with Parts II – V of the Yachting New Zealand Safety Regulations when these yachts are racing on inshore waters, with appropriate rescue facilities provided by the organising authority, and when specific provision is made in the sailing instructions for ballasted yachts to race under this part of the Safety Regulations.

Responsibility of the person in charge

The safety of a yacht and her crew is the sole and inescapable responsibility of the person in charge, who must do their best to ensure that the yacht is fully found, thoroughly seaworthy and manned by an experienced crew who have undergone appropriate training and are physically fit to face bad weather. (Ref: www.sailing.org)

These regulations are mandatory and failure to comply with them while racing may be grounds for disqualification following a protest, or other prescribed penalties as stated in the sailing instructions.

Individual organising authorities or class associations may require additional safety provisions in their notice of race and/or sailing instructions or class rules in view of local conditions.

Yachting New Zealand Safety Regulations Part I

All regulations are relevant whether or not yachts are racing. Yachting New Zealand recommends that these regulations be observed by all centreboard and open yacht crews and boardsailors at all times.

For World Sailing classes:

- These regulations do not change the requirements for boats to comply with their respective class rules.
- With the exception of Rule 11 and 12, boats shall be deemed to have satisfied the requirements of these regulations when she meets the requirements of her class rules.

1. All crew shall wear a positive buoyancy vest or lifejacket (not inflatable) in good condition, fit for purpose, no tears in fabric, size to fit weight of user, buckles and straps all working, properly secured about their persons at all times while afloat and complying with Yachting New Zealand minimum standard (see SR Appendix 4).

Yachting New Zealand may give dispensation (in writing), to specific classes or events, from this clause and specify conditions for exercising such dispensation. When dispensation is given, it shall be the responsibility of the organising authority to ensure adequate safety provisions are made. Dispensation may be overridden by RRSs 40 or by the notice of race or sailing instructions.

Note: It is an offence under the Maritime rules for any vessel not to have on board an approved floatation device for each person.

2. Centreboard, open yachts and sailboards shall be so constructed or fitted with reserve buoyancy, so that when swamped or capsized and:
 - a) when enclosed hulls are not divided into at least two separate compartments and the entire hull is flooded, or
 - b)

b) when the enclosed hulls are divided into two or more separate compartments and 50 per cent of the total compartment volume is flooded, or

c) when inflatable bag buoyancy is fitted and 50 per cent is deflated they will support their own weight including all equipment plus 10 kg for each crew member.

Buoyancy shall be so disposed so as to float the boat on an even keel when righted after a capsize. When provided in the form of inflatable airbags or closed-cell plastic foam, the buoyancy shall be securely held in place. A yacht of an international class shall be deemed to have satisfied the requirements of this rule when she meets specific buoyancy requirements of her class rules.

3. Yachts shall have permanently fitted on their centre-line a ring, closed fairlead or towing eye to which a tow line may be connected or led through to a strong point. The fitting shall be not less than 25 mm minimum internal diameter at all times unless one-design class rules specify a particular alternative fitting. For monohull yachts, this fitting shall be at or near the bow but not on a bowsprit. For catamarans, the fitting may be at the stern for towing in reverse.
4. Yachts shall carry a towline of adequate strength and of such length that it will extend twice the yacht's length beyond the bow when fitted as in clause 3. If the yacht's mainsheet or other running rigging are to be used as a towline they shall be so fitted as to be readily removable.
5. Yachts shall be fitted with a quick-release mechanism (not a bolt, lashing or screw shackle), or a halyard, which allows the mainsail to be lowered from both the deck and the masthead, or, in the case of a pocket luff sail or rigid aerofoil, a mechanism which allows the entire rig to be lowered quickly and easily.

6. Hollow masts shall be either:
 - a) completely sealed to prevent the entry of water, or
 - b) fitted with a drain hole not more than 500 mm above the base and of such a size that it is capable of draining all of the water that could be contained in the mast within 30 seconds with the mast standing upright.
7. Centreboards shall be so secured to the hull that they remain within the centrecase when the hull is inverted and they shall be sufficiently strong to support the weight of at least one crew member during the manoeuvre of righting following a capsize. This clause does not apply to windsurfers.
8. Rudders shall be so secured to the hull in such a way that they remain in position when the hull is inverted. This clause does not apply to windsurfers.
9. Tillers and rudder blades, if not permanently attached to the rudderstock, shall be secured to it by a pin or lashing while the yacht is on the water. This clause does not apply to windsurfers.
10. Yachts shall carry an adequate bailer or pump attached to the hull by a lanyard of sufficient length to allow them to be operated, unless the yacht has an enclosed hull from which most of the water empties when righted, but not moving, following a capsize.
11. Yachts shall carry their sail number on the port and starboard sides of their hull, in clearly distinctive letters and figures at least 50 mm high.
12. Each boat trailer or cradle shall be clearly marked with the class and sail number of the yacht using it.
